Supply of Publications to the British Museum.

Communicating to the departments of the Secretariat, with remarks, letter from the Government of India stating that, whenever a publication has been entered in the Madras quarterly lists prepared under Home circular No. I—11-S, dated 22nd June 1892, a copy may be supplied to the British Museum as a matter of course.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again the following papers :—

G.O., No. 5, Financial, dated 2nd January 1895.

ABSTRACT.—Issuing orders regarding the intimation to be given by the Superintendent, Government Press, to the Financial Department of all Government publications, including annual departmental administration reports, before they issue from the press, and the number of copies intended to be sent to the India Office.

G.O., Nos. 382, 383, Financial, dated 7th May 1897.

Read—the following letter from A. T. PRINGLE, Esq., Assistant Secretary to the Government of India, Home Department (Books), to the Chief Secretary to the Government of Madras, dated Calcutta, 8th February 1897, No. 153 :—

It appears from a despatch * lately received from the Secretary of State that in a large number of instances the British Museum was not supplied with copies of the official publications in India which were included in the lists for the period ending 30th September of the calendar year 1895. The deficiencies have to some extent been supplied by the India Office, but certain publications are still required. A list of these is enclosed, and I am to request that, with the permission of His Excellency the Governor in Council, they may be forwarded to the Home Department at an early date.

* No. 38, Public (Records), of the 10th December 1896.

2. I am at the same time to invite attention to the orders, as summarised in circular No. 13 of the 18th January 1892 in the Home Department, in regard to the transmission of books intended for the British Museum, and to ask that such steps as are considered necessary may be taken to prevent future omissions of the kind now under notice.

ENCLOSURE.

DESPATCH from the Secretary of State for India, to His Excellency the Governor-General of India in Council, dated 10th December 1896, No. 38, Public (Records).

With reference to your predecessor's letter, Home No. 40, dated 28th June 1892, I have to inform your Excellency that Sir Maunde Thompson has forwarded to me a list of documents which appear in the catalogues of Indian official publications for the first three quarters of 1895, but have not been received at the British Museum. Such of these as were available here have been supplied ; and I now transmit a list of the remaining publications and request that copies may be sent home at an early date.

Order—No. 382, Financial, dated 7th May 1897.

The books will be forwarded to the Government of India with the following letter.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

Letter—No. 383, Financial, dated 7th May 1897, to the Secretary to the Government of India, Home Department.

Adverting to Mr. Pringle's letter, No. 153, dated 8th February 1897, I am directed to advise the despatch by S.S. *Mercara* of the publications therein asked for.

2. In regard to paragraph 2 of the communication alluded to above, I am to state that the orders regarding the transmission of books to the India Office and the British Museum have not been overlooked in the case of any of these publications. From the Proceedings of this Government, No. 5, Financial, dated 2nd January 1895 (copy enclosed), it will be seen that a regular check is, for the purposes of those orders, exercised over all publications issued by this Government. In addition to this check it has been the practice, since the date of the proceedings quoted above, to check the quarterly list of official publications submitted by the Superintendent of the Government Press under Government of India, Home Department, No. I—11-S, dated 22nd June 1892, and No 53-S, dated 6th September 1892, in view to ensure that no omissions occur.

3. I am to point out that the marginally-noted reports, which are not publications of this Government, were duly brought to the notice of the Lieutenant-General Commanding the Forces, Madras, as he had stated that the Government of India was kept informed of the issue of all publications printed by the military authorities at the Government Press, Madras —*vide* Proceedings of this Government, No. 646, dated 3rd September 1895 (copy enclosed).

Military report on the South Indian Railway.
" " Nizam's Guaranteed State Railway.

4. Two copies of the calendar of the Commissioner for Government Examinations for 1894–95 were forwarded to the India Office on the 28th March 1895—one of which was addressed, as usual, to the British Museum.

5. The question whether the remaining publications should be forwarded was duly considered, but copies were not supplied to the British Museum in view of the instructions contained in paragraph 4 of Home Department No. 8—1037, dated 31st August 1883, where the transmission of ephemeral publications was stated to be unnecessary, and in the Secretary of State's despatch, No. 15, Public (Records), dated 26th July 1894, in which it was intimated that the British Museum desired to be supplied with copies of the *more important* non-confidential official Indian publications. I am to draw attention to the fact that most of the publications now in question were printed chiefly for office use. The pamphlet entitled "Investiture of the Orders of the Star of India and Indian Empire held at Madras on the 25th November 1893" was intended for Secretariat reference only and is of a semi-confidential nature ; the "Revised Grant-in-Aid Code with appendices, 1894," was a reprint of a notification which appeared in the gazette ; the "Alphabetical lists of villages" in various taluks were printed for the use of the Survey department alone.

6. I am to request that this Government may be informed whether it is intended that two copies of every non-confidential official publication, of which ten copies are not sent to the India office, should be transmitted, and to state that, since the receipt of your letter, this practice has been observed in order to avoid any chance of omissions being brought to light hereafter. Pending the receipt of a reply on this point, which

it is requested may be expedited, the despatch of any publications which were included in the list for the period subsequent to that of the third quarter of 1895, but which were not forwarded, will be held over.

(Signed) J. F. PRICE,
Chief Secretary.

From A. T. PRINGLE, Esq., Assistant Secretary to the Government of India, Home Department (Books), to the Chief Secretary to the Government of Madras, dated Calcutta, 13th November 1897, No. 1632.

With reference to the conclusion of your letter, No. 383, Financial, of the 7th May last, I am directed to state that certain questions relating to the supply of publications to the British Museum are engaging the attention of the Government of India, and that there may be some delay in the passing of orders.

2. In these circumstances, I am to request that whenever a publication has been entered in the Madras quarterly lists prepared under Home circular No. I—11-S, dated 22nd June 1892, a copy may be supplied for the museum as a matter of course.

ORDER—No. 1020, Financial, dated 6th December 1897.
