the following letter from the Collector of Coimbatore R. O. C. No. 3508(a), dated 4th November 1897.

Out of the Budget allotment of Rs 6000 sanctioned in Board's Proceedings, No. 661, dated 12th October 1897, on account of repairs to Channels, amounts aggregating Rs 2,600 were sanctioned at the beginning of the year for repairing the channels in Karur Taluk. The Tahsildar of Karur has now reported that, in consequence of high freshes in the Kaveri in August last, a considerable additional sum must be

in that Taluk of silt and on replacing Korambas which have been washed away. The work is stated to be absolutely necessary and urgent and I have accordingly sanctioned the expenditure of the balance of Rs 3,400 now in hand on this work. There remains a sum of about Rs 700 to be provided and I have the honour to request that the Board will be pleased to sanction an additional allotment of this amount under the head — "Repairs to channels".

Resolution.

Submitted to Government — with the Board's recommendation that the additional allotment of Rs 700 applied for by the Collector may be sanctioned under 45 civil works.

2. As regards the source from which

the cost can be met, the Board is unable to say whether any savings can be expected in the total grant under 45 civil works.

SIR,

I have the honour to forward the accompanying applications from the Board of Revenue No. 9094, M.S. dated 12 November 1897 for an additional allotment of Rs 700 to be placed at the disposal of the collector of Coimbatore for repairing the channels in the Karur Taluk.

2. With reference to my endorsement No. 3029 dated 30 September 1897 Government has now authorized me in Government Order No. 934 Financial dated 15 November 1897 to place the sum of Rs 1140 at the disposal of the Public Works Department from the provision of Rs 6000 for Coimbatore under

45 Civil Works - Miscellaneous - Public im-
provements - Repairs. The collector reports that
he has sanctioned the expenditure of the whole
of this Rs 6000 by the Tahsildar of Karur
on repairs to channels and that he requires
Rs 700 in addition. In the circumstances the
reappropriation made in the Government Order
above referred to should be cancelled, and
if the amount be sanctioned from the assign-
ment for Trichinopoly under the same head
I request that the collector of that district
may be informed of the retrenchment of his
grant by a sum of Rs 1140 so that he may keep
his expenditure within the reduced grant.

3. I would also suggest that the additional
allotment of Rs 700 now asked for may be sanctioned
from the same source. The actuals for the first
6 months amount to Rs 10230 against the grant
of Rs 26416.

I have the honour to be,
Sir
Your Most Obedient Servant,
