OFFICIAL MEMORANDUM No. 235.

With reference to the budget estimate of the Inam Department for 1898-99, R.C. No. 508, dated 1st October 1897, the undersigned is directed to enquire why it is proposed to fill up next year the several appointments which have been allowed to remain vacant during 1896-97 and 1897-98 and whether seeing that all increase of expenditure which the proposal practically amounts to, should, if possible, be avoided, the appointments may not continue vacant next year also and the provision made on their account in the budget estimate, be struck out.

To the Inam Commissioner.

Read—the following letter from the Hon'ble Mr. C. S. CROLE, Inam Commissioner, to the Secretary to Government, Revenue Department, dated Madras, 15th November 1897, Ref. on Cur. No. 508:—

With reference to your Official Memorandum, No. 235, dated 6th November 1897, I have the honour to state that the full sanctioned establishment for this office is included in the budget allotment for the year as usual; but the vacancies that arise are filled up only according to the requirements of the work received in the year. The work in the years 1896-97 and 1897-98 not having been sufficient, the appointments of the examiner on Rs. 80 and of three copyists—two on Rs. 15 and one on Rs. 12-8-0—were allowed to continue vacant. The appointments may be allowed to continue vacant for the next year also. But in the following they will have to be filled up; for, by that time, the registers for the revision of the title-deeds issued for the village service inams in the Bellary and Anantapur districts with reference to the survey area and settlement assessment will be received and the village service inams in the proprietary estates will be ready for enfranchisement.

Order—No. 985, Revenue, dated 24th November 1897.

Miscellaneous.

With reference to the last of the papers read above, a deduction of Rupees 1,470 will be made in the budget estimate for 1898-99 on account of the "central office establishment." The estimates modified as above, are approved and transferred to the Financial Department.
