Budget Estimates.

Reviewing the — of receipts and charges for 1898-99 under XVIA. and 19A. Law and Justice—Courts of Law.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From the Registrar, High Court, Madras, dated 15th November 1897, No. 125.
" " " " 24th " " " " "

Order—No. 1036, Financial, dated 9th December 1897.

The receipts under XVI-A. Law and Justice—Courts of Law, for 1898–99 are placed in the estimates forwarded by the Registrar of the High Court at 6·976 lakhs against a budget estimate of 7·00 and a revised estimate of 7·23 for the current year and actuals of 6·963 in 1896–97. The Government sees no reason why the receipts for 1898–99 should not reach the average (7·25) of the past three years and the estimates will be raised to that figure as shown in the appendix to these proceedings.

2. In the estimates of expenditure complete details have not been furnished for the revised estimate and for past actuals under *Allowances*, *Supplies and Services* and *Contingencies*. The Honourable the Judges of the High Court will be requested to be so good as to issue the necessary orders to ensure that these defects are rectified in future estimates.

3. The Honourable the Judges will also be requested to cause information on the following points to be supplied to Government :—

(*a*) An explanation of the provision of Rs. 100 made for the first time under Law Officers—*Contingencies* for *Stamp duty on documents*, *Fees paid to the Accountant-General and the Registrar of Assurances for certificates*.

(*b*) Details of the temporary establishment (Rs. 2,252) under Criminal Courts—General Establishments.

(*c*) The order of Government sanctioning the transfer of a forest inspector and seven peons from Forest to Law and Justice which is referred to as explanatory of the increase in Special Assistant Agents' establishments under Criminal Courts.

4. The item of travelling allowance (Rs. 100) shown under High Court—Judges, should be shown under the group head *Allowances* and not under *Salaries*. The necessary alteration will be made.

5. The allotment of Rs. 1,200 under Civil and Sessions Courts for the establishment required by the District Judge, Tanjore, for sorting records, and the sum of Rs. 15,000 entered in the budget for 1898–99 as representing the one-fifth cost of the scheme for the improvement of the position of taluk gumastahs, transferred from 3. Land Revenue, will be retained provisionally, but the sanction of Government should be obtained before the former amount is utilized.

6. Under Criminal Courts—General Establishments—*Contingencies*, a grant of Rs. 240 is proposed for *Fees to Medical Inspectors of Factories*, but as provision for this item appears to have been already included under 26. Scientific and Other Minor Departments in the estimate passed in G.O., No. 884, Financial, dated 2nd November 1897, it will be eliminated.

7. The details of the item *Office Expenses* (Rs. 2,001) under Civil and Sessions Courts—*Contingencies*, show that a sum of Rs. 1,251 is required for expenditure on paste. It seems advisable that some scrutiny should be exercised over the outlay under this head.

8. The absence of details of the actuals of past years, referred to in paragraph 2 of these proceedings, necessarily renders the scrutiny of the provisions made under the several heads difficult, but looking to the necessity in the present state of the finances for curtailing expenditure in every department and for postponing all avoidable charges, and with reference to the available figures, the estimates will be reduced as shown below :—

46,152	51.653	47.545	39,258	(a) This estimate is the total of the figures returned by District and Sessions Judges and has been accepted being less than the accounts of 1896-97, though it is a little over the average of the past three years' accounts. This is a fluctuating charge.
2,705	929	943	6,243	
10,092	13,318	8,991	7,967	

(b) This is the figure returned by the Agent to the Governor, Ganjam. The increase in the actuals for 1894-95 was due to the expenditure of about Rs. 4,000 in the purchase of elephants.

(c) Provided for with reference to G.O., No. 550, Financial, dated 16th July 1897.

(d) Provision has been made for purchase of clocks for District Munsifs' Courts to which no clocks have hitherto been supplied and also for table shades, punka pulleys, moons for lamps, lamps, &c., for District Courts.

(e) These do not include the cost of articles other than furniture which formerly was included in 1 (b) Charges.
(f) Provision has been made for the purchase of chairs, tables, &c., to the District and Munsifs' Courts' bars which are not provided with the same.

(g) The increase is required in Madura. The records of Munsifs' Courts hitherto sent through process peons to the District Court for safe custody are now sent by post, as the Process Service Rules do not warrant the employment of peons in that direction.
(h) The increase is due to the enhancement of Municipal taxes for some of the Court-houses. The District Judge of Kurnool wants to hire a suitable building for the District Munsif of Kurnool for want of sufficient accommodation in the present building.

EXPLANATORY REMARKS.

(*a*) This number does not include the temporary establishment entertained from time to time by Collectors according to the exigencies of the service. The increase is due to the transfer of all charges connected with the Government Agent's establishment, Godavari, from Criminal courts to Civil and Sessions courts in accordance with the Accountant-General's letter, No. I.A.C.H—357 D., dated 4th August 1897.

(*b*) This amount is necessary as the supply is to be renewed.

(*c*) The estimate exceeds the average by Rs. 1,136, and the excess is due to provision being under each item of contingencies separately for process serving establishments, while in former years such charges were included in the contingencies of the regular establishment.

Average.	Accounts. 1896-97.	1895-96.	1894-95.
Rs. 7,565	Rs. 7,958	Rs. 7,988	Rs. 6,749

(*d*) The increase was sanctioned in G.O., R. No. 1370, Financial, dated 7th December 1896.

(*e*) The increase was sanctioned in G.O., R. No. 1149, Financial, dated 26th August 1897.

(*f*) The decrease is due to the reduction of one copyist on Rs. 10 in North Malabar.

page 7 of the Estimates.

The question of continuing the system of training Civilians in judicial work is still under consideration. The papers are in circulation. Under the circumstances it seems best to retain the provision for one Civilian Subjudge.

The temporary establishment of the Kinneydy Sub. Court is there sanctioned. It does not appear to require any modification.

(c) Judicial has no information as to the reasons why a large increase is proposed under "rewards for the apprehension of offenders" in connection with the Negapatam riots.

This disappointing to find an increase of 62 in the expenditure. I should say it might be removed altogether as the civilian sub-Judge, previously provided a sub-Collr. is knocked off in the Rev. Dept. budget

The Revised for '97-8 is 46·38; the B. for 97-8 was 46·67. The B. Est. for 98-9 is 46·56, wh. will be reduced by 96 by reductions in Land Rev. We are thus less than B. for 97-8 and only ·12 more than the Revised. Had we not better let this stand?

RKA 8.12.97.

Receipts will be ·25 higher than B.E. for 97-8, and ·29 higher than actuals for '95-7.

Very well — But it is safer to compare Budget with actuals than Budget with Budget

Budget Estimates.

Reviewing the — of receipts and charges for 1898–99 under XVIA. and 19A. Law and Justice—Courts of Law.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From the Registrar, High Court, Madras, dated 15th November 1897, No. 125.
" " " " 24th " " " "

Order—No. , Financial, dated December 1897.

The receipts under XVI-A. Law and Justice—Courts of Law, for 1898–99 are placed in the estimates forwarded by the Registrar of the High Court at 6·976 lakhs against a budget estimate of 7·00 and a revised estimate of 7·23 for the current year and actuals of 6·963 in 1896–97. The Government sees no reason why the receipts for 1898–99 should not reach the average (7·25) of the past three years and the estimates will be raised to that figure as shown in the appendix to these proceedings.

2. In the estimates of expenditure complete details have not been furnished for the revised estimate and for past actuals under *Allowances*, *Supplies and Services* and *Contingencies*. The Honourable the Judges of the High Court will be requested to be so good as to issue the necessary orders to ensure that these defects are rectified in future estimates.

3. The Honourable the Judges will also be requested to cause information on the following points to be supplied to Government :—

(*a*) An explanation of the provision of Rs. 100 made for the first time under Law Officers—*Contingencies* for *Stamp duty on documents, Fees paid to the Accountant-General and the Registrar of Assurances for certificates.*

(*b*) Details of the temporary establishment (Rs. 2,252) under Criminal Courts—General Establishments.

(*c*) The order of Government sanctioning the transfer of a forest inspector and seven peons from Forest to Law and Justice which is referred to as explanatory of the increase in Special Assistant Agents' establishments under Criminal Courts.

4. The item of travelling allowance (Rs. 100) shown under High Court—Judges, should be shown under the group head *Allowances* and not under *Salaries*. The necessary alteration will be made.

5. The allotment of Rs. 1,200 under Civil and Sessions Courts for the establishment required by the District Judge, Tanjore, for sorting records, and the sum of Rs. 15,000 entered in the budget for 1898–99 as representing the one-fifth cost of the scheme for the improvement of the position of taluk gumastahs, transferred from 3. Land Revenue, will be retained provisionally, but the sanction of Government should be obtained before the former amount is utilized.

6. Under Criminal Courts—General Establishments—*Contingencies*, a grant of Rs. 240 is proposed for *Fees to Medical Inspectors of Factories*, but as provision for this item appears to have been already included under 26. Scientific and Other Minor Departments in the estimate passed in G.O., No. 884, Financial, dated 2nd November 1897, it will be eliminated.

7. The details of the item *Office Expenses* (Rs. 2,001) under Civil and Sessions Courts—*Contingencies*, show that a sum of Rs. 1,251 is required for expenditure on paste. It seems advisable that some scrutiny should be exercised over the outlay under this head.

8. The absence of details of the actuals of past years, referred to in paragraph 2 of these proceedings, necessarily renders the scrutiny of the provisions made under the several heads difficult, but looking to the necessity in the present state of the finances for curtailing expenditure in every department and for postponing all avoidable charges, and with reference to the available figures, the estimates will be reduced as shown below :—

Sub-head.	Group head.	Detailed head.	Amount proposed by the High Court.	Amount passed by Government.	Difference.

46,152	51,653	47,545	39,258	(a) This estimate is the total of the figures returned by District and Sessions Judges and has been accepted being less than the accounts of 1896-97, though it is a little over the average of the past three years' accounts. This is a fluctuating charge.
2,705	929	943	6,243	
10,092	13,318	8,991	7,967	

(b) This is the figure returned by the Agent to the Governor, Ganjám. The increase in the actuals for 1894-95 was due to the expenditure of about Rs. 4,000 in the purchase of elephants.

(c) Provided for with reference to G.O., No. 550, Financial, dated 16th July 1897.

(d) Provision has been made for purchase of clocks for District Munsifs' Courts to which no clocks have hitherto been supplied and also for table shades, punka pulleys, moons for lamps, lamps, &c., for District Courts.

(e) These do not include the cost of articles other than furniture which formerly was included in 1 (b) Charges.
(f) Provision has been made for the purchase of chairs, tables, &c., to the District and Munsifs' Courts' bars which are not provided with the same.

(g) The increase is required in Madura. The records of Munsifs' Courts hitherto sent through process peons to the District Court for safe custody are now sent by post, as the Process Service Rules do not warrant the employment of peons in that direction.
(h) The increase is due to the enhancement of Municipal taxes for some of the Court-houses. The District Judge of Kurnool wants to hire a suitable building for the District Munsif of Kurnool for want of sufficient accommodation in the present building.

EXPLANATORY REMARKS.

(a) This number does not include the temporary establishment entertained from time to time by Collectors according to the exigencies of the service. The increase is due to the transfer of all charges connected with the Government Agent's establishment, Godavari, from Criminal courts to Civil and Sessions courts in accordance with the Accountant-General's letter, No. I.A.C.H—357 D., dated 4th August 1897.

(b) This amount is necessary as the supply is to be renewed.

(c) The estimate exceeds the average by Rs. 1,136, and the excess is due to provision being under each item of contingencies separately for process serving establishments, while in former years such charges were included in the contingencies of the regular establishment.

Average.	Accounts. 1896-97.	1895-96.	1894-95.
Rs. 7,565	Rs. 7,958	Rs. 7,988	Rs. 6,749

(d) The increase was sanctioned in G.O., R. No. 1370, Financial, dated 7th December 1896.

(e) The increase was sanctioned in G.O., R. No. 1149, Financial, dated 26th August 1897.

(f) The decrease is due to the reduction of one copyist on Rs. 10 in North Malabar.

ORDER. No 1036 dated 9.12.97.

O.S.

The receipts under XVI A LAW & JUSTICE - COURTS OF LAW, for 1898-99 are placed in the estimates forwarded by the Registrar of the High Court at 6.976 lakhs against a budget estimate of 7.00 and a revised estimate of 7.23 for the current year and actuals of 6.963 in 1896-97. The Govt. sees no reason why the receipts for 1898-99 should not reach the average (7.25) of the past three years and the estimates will be raised to that figure as shown in the appendix to these proceedings.

2. In the estimates of expenditure complete details of the revised estimate and of past actuals under Allowances, Supplies & Services and Contingencies have not been furnished. The Hon. the Judges

of

of the High Court will be requested to be so good as to issue the necessary orders to ensure that these defects are ~~[illegible]~~ rectified in future estimates.

3. The Hon. the Judges will also be ~~desired~~ requested to cause information on the following points to be supplied to Govt:-

(a) ~~The~~ An explanation of the provision of Rs. 100 made for the first time under LAW OFFICERS - Contingencies for Stamp duty on documents, fees paid to the Accountant-General and the Registrar of Assurances for certificates.

(b) Details of the temporary establishment (Rs. 2,252) under CRIMINAL COURTS - General Establishments.

(c) The order of Government sanctioning the transfer of a Forest Inspector and seven peons from FOREST to LAW & JUSTICE which is referred to ~~in [illegible] as an~~ explanatory of the increase in Special Assistant Agents' establishments, under CRIMINAL COURTS.

4. The item of Travelling allowance (Rs.100) shown under HIGH COURT - Judges, should be shown under the group head Allowances and not under Salaries. The necessary alteration will be made.

5. The allotment of Rs. 1,200 under CIVIL & SESSIONS COURTS for the establishment required by the District Judge, Tanjore, for sorting records and the sum of Rs. 30,600 entered in the

the budget for 1898-99 as representing the one-fifth cost of the scheme for the improvement of the position of taluk gumastahs. transferred from 3 LAND REVENUE, will be retained provisionally, but the sanction of Govt. should be obtained before the former amount is utilized.

6. Under CRIMINAL COURTS - General Establishments - Contingencies, a grant of Rs. 240 is proposed for fees to medical inspectors of factories, but as provision for this item appears to have been already included under 26 SCIENTIFIC AND OTHER MINOR DEPTS. in the estimate passed in G.O.No.384, Finl., dated 2nd November 1897, it will be eliminated.

7. The details of the item "Office expenses (Rs.2,001)" under CIVIL & SESSIONS COURTS - Contingencies, show that a sum of Rs. 1,251 is required for expenditure on paste. It seems advisable that some scrutiny should be exercised over the ~~expenditure~~ outlay under this head.

8. The absence of details of the actuals of past years, referred to in para. 2 of these proceedings, necessarily renders the scrutiny of the provisions made under the several heads difficult, but looking to the necessity in the present state of the finances for curtailing expenditure in every dept. & for postponing all avoidable charges & with ref. to the available figures the estimates will be reduced ~~under the following items:-~~ as shown below:-

10. The estimates for 1898-99 under 19 B a LAW & JUSTICE JAILS Charges for Police Custody, will be placed at Rs. 20,000 instead of at Rs. 25,695 as proposed by the High Court.

Why cannot clockwinding be struck out of all estimates as out of our own?

AH 1.12.97

Note for the C.S.

We have struck it out of other estimates (those of the Revenue dept) where it has been noticed, but to make the point quite clear it would be safer to issue a separate general order. This will be done if C.S. approves.
