EXPLANATORY REMARKS.

NOTE.—(1) The total expenditure on inspection and Government Colleges and Schools is Rs. 10,33,000 in the budget estimate for 1897-98, Rs. 10,83,300 in the revised estimate for 1897-98 and Rs. 10,58,600 in the budget estimate for 1898-99. The excess of Rs. 50,300 in the revised estimate includes nearly Rs. 2,4000 proposed to be expended on furniture to the new Law College buildings, the balance representing approximately the additional cost in connection with the reorganization of the Educational Department. The excess of Rs. 25,600 for 1898-99 provides for the above increase and for increase of establishment.

(2) Excluding the allotment proposed for hostels under the head 'Miscellaneous,' the total allotment required for 1898-99 is Rs. 21,000 in excess of the sanctioned allotment for 1897-98, and this sum very nearly represents the additional provision made for salaries of officers of the Indian and Provincial Educational Service.

(*a*) The increase under revised estimate is due to the extra charge incurred in consequence of my recent absence on privilege leave.

(*b*) The increase of one clerk on Rs. 60 is the result of the abolition of the post of Special Assistant to the Director of Public Instruction and the appointment of a clerk to perform the duties formerly done in the Book Branch and to look after the library in this office. (G.O., No. 24, Educational, dated 15th January 1897).

EXPLANATORY REMARKS.

(a) The salary of the clerkships in five of the Sub-Assistants' ranges was reduced from Rs. 15 to Rs. 14 each in G.O., No. 753, Educational, dated 2nd December 1896, and No. 1377, Financial, dated 8th December 1896; hence the slightly reduced provision for Sub-Assistants' clerks.

(b) No provision is made here for the printing of examination cards, it being proposed to meet the charge for this purpose from the special allotment made for "Printing at private presses."

(c) The increased allotments under both the "revised estimate for 1897-98" and the "budget estimate for 1898-99" are owing to the introduction of the schemes relating to the Indian and Provincial Educational Services with effect from 1st January 1897 and to the grant of personal allowances to the two Senior Inspectors of Schools.

† The Senior Assistant Professor, Presidency College, draws a local allowance of Rs. 250 per mensem as Canarese Translator to Government.
‡ The Malayalam Pandit, Presidency College, draws a local allowance of Rs. 250 per mensem as acting Malayalam Translator to Government.

EXPLANATORY REMARKS.

(a) The increase under the revised estimate for 1897-98 is due to the introduction, with effect from 1st January 1897, of the schemes relating to the Indian and Provincial Educational Services and to the grant of personal allowances under the former scheme to the two Senior Principals.

(b) As permanent arrangements for filling the place of the late Rao Bahadur Sadhu Seshayya have not yet been made, the First Lectureship at Kumbakonam is credited with a salary of Rs. 700, which was sanctioned for him on the retirement of Mr. Metcalfe from 5th March 1897.

(c) The increased provision represents the salary of the newly-created posts of Assistant Professors of Geology and Zoology—one of which has been filled and the other has to be filled before the close of the current year. (G.O., No. 751, Educational, dated 2nd December 1896.)

(*a*) The pay of the Clerk, Law College, has recently been reduced from Rs. 48 to Rs. 20—2—40, and the present incumbent is in receipt of Rs. 30 per mensem.

(*b*) This represents the expenditure proposed to be incurred on new furniture.

(*c*) As the Law College is expected to enter into occupation of the new buildings in January next, the current year's provision for Municipal assessment has been repeated.

(*d*) This is wholly the outlay incurred on stationery articles during 1896-97.

(*e*) The decrease under "Salaries" is due partly to the appointment of M.R.Ry. Hanumanta Rau as Professor of Mathematics and partly to a larger proportion of the salaries being debited to the school department.

(*f*) The reduction in the number of officers drawing exchange compensation allowance is owing to the appointment of M.R.Ry. Hanumanta Rau, of the Provincial Educational Service, as Professor of Mathematics in succession to Mr. Middlemast.

(*g*) This is the portion of the exchange compensation allowance debited to the college department.

I have provided for a moiety of the increase under the College department, exhibiting the other moiety under the School of Engineering.

(*c*) The Acting Professor of Engineering considers that work in the workshops cannot be satisfactorily proceeded with for want of sufficient materials on hand and that materials to the value of Rs. 5,000 should be purchased once for all and that the transactions should be shown as a suspense account, and Major Love strongly supports the proposal. I have, however, reduced the provision for purchase of materials to Rs. 2,500.

EXPLANATORY REMARKS.

NOTE.—(1) The total expenditure on inspection and Government Colleges and Schools is Rs. 10,33,000 in the budget estimate for 1897-98, Rs. 10,83,300 in the revised estimate for 1897-98 and Rs. 10,58,600 in the budget estimate for 1898-99. The excess of Rs. 50,300 in the revised estimate includes nearly Rs. 24,000 proposed to be expended on furniture to the new Law College buildings, the balance representing approximately the additional cost in connection with the reorganization of the Educational Department. The excess of Rs. 25,600 for 1898-99 provides for the above increase and for increase of establishment.

(2) Excluding the allotment proposed for hostels under the head 'Miscellaneous,' the total allotment required for 1898-99 is Rs. 21,000 in excess of the sanctioned allotment for 1897-98, and this sum very nearly represents the additional provision made for salaries of officers of the Indian and Provincial Educational Service.

(*a*) The increase under revised estimate is due to the extra charge incurred in consequence of my recent absence on privilege leave.

(*b*) The increase of one clerk on Rs. 60 is the result of the abolition of the post of Special Assistant to the Director of Public Instruction and the appointment of a clerk to perform the duties formerly done in the Book Branch and to look after the library in this office. (G.O., No. 24, Educational, dated 15th January 1897).

(b) No provision is made here for the printing of examination cards, it being proposed to meet the charge for this purpose from the special allotment made for "Printing at private presses."

(c) The increased allotments under both the "revised estimate for 1897-98" and the "budget estimate for 1898-99" are owing to the introduction of the schemes relating to the Indian and Provincial Educational Services with effect from 1st January 1897 and to the grant of personal allowances to the two Senior Inspectors of Schools.

‡ The Malayalam Pandit, Presidency College, draws a local allowance of Rs. 250 per mensem as acting Malayalam Translator to Government.

EXPLANATORY REMARKS.

(a) The increase under the revised estimate for 1897-98 is due to the introduction, with effect from 1st January 1897, of the schemes relating to the Indian and Provincial Educational Services and to the grant of personal allowances under the former scheme to the two Senior Principals.

(b) As permanent arrangements for filling the place of the late Rao Bahadur Sadhu Seshayya have not yet been made, the First Lectureship at Kumbakonam is credited with a salary of Rs. 700, which was sanctioned for him on the retirement of Mr. Metcalfe from 8th March 1897.

(c) The increased provision represents the salary of the newly-created posts of Assistant Professors of Geology and Zoology—one of which has been filled and the other has to be filled before the close of the current year. (G.O., No. 751, Educational, dated 2nd December 1896.)

(*a*) The pay of the Clerk, Law College, has recently been reduced from Rs. 48 to Rs. 20—2—40, and the present incumbent is in receipt of Rs. 30 per mensem.

(*b*) This represents the expenditure proposed to be incurred on new furniture.

(*c*) As the Law College is expected to enter into occupation of the new buildings in January next, the current year's provision for Municipal assessment has been repeated.

(*d*) This is wholly the outlay incurred on stationery articles during 1896-97.

(*e*) The decrease under "Salaries" is due partly to the appointment of M.R.Ry. Hanumanta Rau as Professor of Mathematics and partly to a larger proportion of the salaries being debited to the school department.

(*f*) The reduction in the number of officers drawing exchange compensation allowance is owing to the appointment of M.R.Ry. Hanumanta Rau, of the Provincial Educational Service, as Professor of Mathematics in succession to Mr. Middlemast.

(*g*) This is the portion of the exchange compensation allowance debited to the college department.

(*a*) This is the portion of the allowance expected to be required for the college department only. An equal amount has been entered under the "School of Engineering."

(*b*) The Principal considers that an increased allotment under Workshops is quite necessary owing to their development and recommends an increase of Rs. 1,000 over the current year's allotment (Rs. 1,500). I have provided for a moiety of the increase under the College department, exhibiting the other moiety under the School of Engineering.

(*c*) The Acting Professor of Engineering considers that work in the workshops cannot be satisfactorily proceeded with for want of sufficient materials on hand and that materials to the value of Rs. 5,000 should be purchased once for all and that the transactions should be shown as a suspense account, and Major Love strongly supports the proposal. I have, however, reduced the provision for purchase of materials to Rs. 2,500.

(*d*) These sums, Rs. 100 and 223, represent the house-rent and Presidency allowances, respectively, drawn by Mr. H. T. Keeling, the Acting Professor of Engineering, in his salary bills for December 1896 and January and February 1897.

(*e*) The services of the Temporary Assistant, Rajahmundry Training College, will not be required during 1898-99.

EXPLANATORY REMARKS.

(*a*) This figure represents the sanctioned number of teachers in Secondary Girls' schools. The excess in the number of teachers is due to the additional teacher sanctioned for the Government Girls' school, Tellicherry, in G.Os., No. 624, Educational, dated 7th October 1896, and No. 1170, Financial, dated 19th October 1896, and to the entertainment of an additional teacher on Rs. 7 per mensem in the Government Girls' school, Ongole.

(*b*) The excess number of servants is due to the entertainment of two conductresses on Rs. 1-8-0 each in the place of a single conductress on Rs. 2-8-0 in the Government Girls' school, Nellore Town.

(*c*) The decrease under Salaries and Establishment is due to the reduction of the Kotpad lower secondary school to the primary grade and the raising of the standard of the Primary school, Gumma, to the lower secondary grade.
