In the amount read above the Accountant General reports that the one lakh allowed by the Govt of India in its telegram of the 30 Sept. last for outlay in October & preceding months for cases of necessity has been exceeded in October alone by Rs 13,000 inclusive of Rs 6000 paid to the Kurnool Municipality and requests that the Govt of India may be moved to sanction the additional grant ~~applied for in letter No 946 dt 10 Nov 97~~ at an early date. of the 30th Septr last was in reply to one from the Govt dated the 29th idem which referred to loans under Class I only. The Revenue Dept to which the draft was sent for counter-initials, was requested to ascertain whether the Board had, by any chance, permitted an infringment of the distinct orders of the Govt of India in regard to the restriction of loans. It now appears that the one lakh provisionally sanctioned by the Govt of India has really been exceeded and peremptory orders have been issued stopping advances in all districts. From the statement of loans just received from the Accountant General it is observed that the actual excess was Rs 6828. The excess was probably caused by loans sanctioned previous to the receipt of the Govt of India telegram having been

In Rep. 5499 dt 18.10.97 the Sec. distinctly said that the total disbursements were delimited as follows from Oct 1:- Madura Rs 10000 & each other famine districts Rs 15000, total 1 lakh. This was only a repetition of its former telegraphic orders of Oct 6. From the Coll's reply it appeared that in Bellary Rs 23863 had been advanced up to the date of that reply. It was simply foolish, therefore, to tell the Bellary Coll. that he must only advance Rs 15000 from 1st Oct - as he had already advanced more. What we want to know is out of the total of Rs 45281 shown in C.No. 3864 how much was advanced under (1) Govt orders, (2) from the receipt of the Govt letter of 6/10/97 to the date of the reply thereto (3) from the date of that reply to the receipt of Rep. 5499 dt 18.10.97 and (3) after the receipt of that Rep. Kurnool & Madura also have exceeded the amts allowed them under that Rep. & should also be called upon to explain. Bellary is, however, the chief offender.

This is more than neglect. It is disobedience. India will almost certainly make a great row about this.

This should be pointed out. N2

Yes. If an application for a total of 18.32 is sanctioned, the excess in October will be covered - but I think we should report what has happened & say that we are enquiring & the particular officer who chose to disobey orders

drawn in October and the subsequent sanctions having been given to the full extent of the Lakh.

Orders are solicited as to whether the Govt of India need be addressed for early orders on letter No. 916 Fin., dt 10th Nov. 97.

This distinct infringement of the explicit orders of the Govt of India will not improve the position as regards the excess expenditure under Loans Class I. It is submitted that the Rev. Dept. should enquire as to the Officers responsible for this neglect of very clear orders & obtain a full explanation of the matter. The A.G's mistake as to including Class IV loans in the one lakh may be pointed out to him and India may be asked by wire for early orders on the application of the 10th November 1897 for an add'l allotment
