G.O., No. 1340, Judicial, dated 19th August 1896.

ABSTRACT.—Passing orders on correspondence relating to the question of the supply of elephants to officers in the Revenue and Police departments in the Agency tracts of Ganjam, Vizagapatam and Górávari.

Read—again the following paper:—

Board's Proceedings, F. No. 682, Routine, dated 22nd October 1896.

ABSTRACT.—Transferring to the Settlement Department, for favour of compliance, letter from the Conservator of Forests, Northern Circle, requesting supply of five copies of Veterinary Manual.

Read—also the following papers:—

From E. D. M. HOOPER, Esq., Acting Conservator of Forests, Southern Circle, to the Secretary to the Commissioners of Land Revenue, dated Coimbatore, 30th October 1896, Ref. on Cur. No. 1541.

I have been asked to secure a copy of J. H. Steel's Veterinary Manual on the Elephant in accordance with the terms of the recent G.O., No. 1340, Judicial, dated 19th August 1896, in which reference is made to this work.

In this connection I would inform the Board that some time since I made enquiries about this book and learned that it is out of print. On the death of the writer the Asylum Press handed over the unsold copies to Messrs. Grindlay, Groom & Co., Bombay, who subsequently disposed of them to Messrs. Thacker, Spink & Co., Calcutta. That firm informed me that they could not procure a copy.

I would suggest that, unless Government is more successful than I have been in my search for the book, the Asylum Press be addressed with a view to its republication in full or in a condensed form.

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 30th October 1896, Mis. No. 5343.

ABSTRACT.—Stating that copies of the Veterinary Manual are not available in that office.

Resolution—Forest Mis. No. 1523, dated 20th November 1896.

Mr. Hooper's letter will be submitted to Government with reference to paragraph 3 of G.O., No. 1340, Judicial, dated 19th August 1896.

2. The Conservator has ascertained that copies of Steel's Veterinary Manual referred to by Government cannot be obtained either from the Lawrence Asylum Press or from Messrs. Thacker, Spink & Co., Calcutta, to whom the unsold copies of the book are reported to have been sold after the death of the author. The book is not available in the Settlement Department of the Board's office.

3. Mr. Hooper suggests that the Lawrence Asylum Press may be asked to republish the book in full or in a condensed form. If this suggestion cannot be adopted, it might be ascertained whether any, and if so which, of the other two Manuals specified in the Commissary-General's letter disposed of in the Government Order quoted above, are obtainable.

4. It is, however, observed that in its Order, Mis. No. 1636, Revenue, dated 3rd May 1893, Government accorded general sanction for the supply of Hawkes' book on the "Diseases of the Elephant and Camel" to all District Forest officers who have elephants under their charge.
