Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 4th January 1897, Mis. No. 22.

Read—the following papers :—

From the Collector of Cuddapah, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 25th December 1896, C. No. 8372-Rev.

In submitting herewith a bill for Rs. 13,050 sent by Messrs. Moolji, Jaitha

Fifty-four bales of count No. 30 containing 3,240 bundles at Rs 2-8-0 per bundle		Rs. 8,100	& Co. of Madras for having supplied the marginally-noted kinds of yarn, I have the honour to request the Board will be pleased to instruct the Accountant-General to arrange to pay the amount to the firm at Madras out of the allotment of Rs. 30,000 applied for in this office Ref. on C. No. 7290-Rev. of 1896, dated 24th ultimo.
Thirty bales of count No. 40 containing 1,800 bundles at Rs. 2-12-0 per bundle		4,950	
Total		13,050	

From the Collector of Cuddapah, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 29th December 1896, Ref. No. 7290-Rev.

In my letter, R.C. No. 7290-Rev. of 1896, dated 24th ultimo, I requested that a sum of Rs. 40,000 per month may be sanctioned in connection with advances to the weavers of the Jammalamadugu taluk—Rs. 30,000 for the purchase of yarn and Rs. 10,000 for payment of wages to the weavers. The Government has, however, sanctioned only Rs. 5,000, observing that this amount will be sufficient to start with (*vide* G.O., No. 744, dated 23rd November 1896, communicated with Board's Proceedings, Mis. No. 6849, dated 27th December 1896). As intimated to the Board in this office Cur. No. 8372-Rev., dated 25th December 1896, seventy-three bales of yarn costing Rs. 13,050 have already been purchased from Messrs. Jaitha & Co., Madras, and the Deputy Collector, Jammalamadugu Division, reports that the above quantity having been expended, he got a further supply of seventy bales of yarn from the said firm, besides twelve bales of yarn of count No. 20 valued at Rs. 1,507-8-0 purchased from a local merchant. I have the honour to state that the advance of Rs. 5,000 sanctioned by the Government is insufficient, and request that the full amount of Rs. 40,000 applied for may be sanctioned at an early date.

2. If the amount of Rs. 5,000 sanctioned by the Government is intended only to meet the wages of labour to be paid to weavers, and does not cover the cost of yarn, I request to be informed how the cost of yarn required is to be met.

3. I beg also to be instructed as to the source from which the cost of stationery articles, furniture, weighing scales, &c., required for the use of the establishment entertained in connection with the weavers' relief scheme should be met. I think it should be debited to the same head to which wages of labour, cost of yarn and pay of establishment will be debited, viz., gratuitous relief.

Resolution—dated 4th January 1897, Mis. No. 22.

Submitted to Government in continuation of Board's Proceedings, No. 474, dated 31st December 1896, with the request that the credit applied for may be granted and that the Accountant-General may be directed to pay the bill for yarn supplied on receipt of a certificate from the Collector that the quantity and quality are in accordance with the order and the rate charged is that agreed upon.

2. The Collector's surmise in paragraph 3 of his letter is correct.
