To

The Chief Secretary
to the Government of Madras.

SIR,

I have the honour to state that the Superintendent, Madras Survey, has suggested that a map, — of which he has sent a proof, herein enclosed, — showing the position of Chalukyan temples, might be prefixed to the volume on "Chalukyan Architecture." He offers to send copies to the Government Press to be pasted into the book. I think the map would be very useful. As however, the book has been already published, I would request the orders of Government.

I have the honour to be
Sir,

Your most obedient servant,

A. Rea

With reference to Endorsement no. 195, dated 25th January 1897, (herewith returned), the Superintendent, Government Press, submits that out of 400 copies of Mr. Rea's *Chalukyan Architecture*, 207 copies have been distributed and sold as shown below.

2. The Superintendent, Madras Survey, to whom a reference has been made as to the cost of the map, states that it is Rs. 25/- and the approximate value of the

stamps for distributing the maps
will be about Rs. 10. Although the
insertion of the map will not alter
the price of the book which has
already been fixed, it is doubtful
whether the persons who are to
receive this map will take
the trouble to have it packed in
their books, if sent at this
stage.

3. If it is desired 200 copies
may be printed to insert in
copies still in the Press.
