Financial Department.

SIR,

I have the honour to submit the following
for the consideration and early orders of Government.

The Comptroller of Hyderabad forwarded to
this office, with his letter N^o 2975 dated 20th October,
1896, a list of the official publications of the Berar
administration supplied to this Government and
the Resident of Mysore from 1887 to 1895 and
estimated that their cost amounting to Rs 1164-4-0
would be debited to this Presidency in his next
exchange account, adding that similar publi-
cations supplied by other Governments to Berar
were charged to Berar. In reply to the above
letter this office pointed out that the publi-
cations of this Government mentioned in

Government Order Financial N^o 781 dated 16th November '96 except the Fort Saint George Gazette were supplied to the Berar administration free of charge, and stated that if the Berar's decided to charge for their publications supplied to this Government the latter would probably charge them with the cost of all their publications hitherto supplied to it free. The Comptroller now states in his letter N^o 4479 dated 10 February 1897 (Copy herewith forwarded) that he will charge this Presidency only for the cost of gazettes (Residency orders) supplied by that administration in the same way as we charge him with the cost of Fort Saint George Gazettes and that he will withhold the claim for other publications.

I solicit accordingly orders whether the charge of Rs 54/- being the cost of Berar gazettes (Residency orders) supplied from 1887 to 1895 and now charged to this Government may be admitted by this office. The gazettes or Residency orders were supplied to the Sanitary Commissioner, Madras.

I have the honour to be
