The items in which alterations are proposed are shown in the margin.

2 The altered grants may stand except in the following cases:-

Under Superintendence

(a) The special officer in the Inspector-General's office having been employed only for six months, the grant, Rs 2320, may be reduced to Rs 1500

(g) The grant for establishment should be raised from Rs 10,480 to Rs 10,800 to meet the cost due to the absence of the

Manager and of the Head Accountant on privilege leave.
(E) The reduced provision for telegrams (Rs 30) is insufficient and should be raised to Rs 50. (F) For the same reason, the grant under other contingencies, viz, Rs 1770, should be raised to Rs 1850.

Under District Charges

(a) The provision for law charges and for remuneration for the service of females should be raised to Rs 50 and Rs 600 respectively as shown in the revised estimate. A Vakil was engaged for prosecuting the persons who stole money from the Subregistrar's office, Chevayur, in the Calicut district and a remuneration of Rs 40 has to be paid to him for which sanction will be obtained in due course. The charges for service of females are fluctuating and it is not desirable to reduce the revised grant.

(b) The grant under furniture, viz Rs 8500, may be further reduced to Rs 7250, as the full number of new offices originally intended to be created have not been opened.

(c) The sanctioned grant under "other Contingencies", Rs 13620, cannot be reduced.

3 The net result of the modifications noted above will be a further reduction of Rs 1000 in the altered grant proposed by

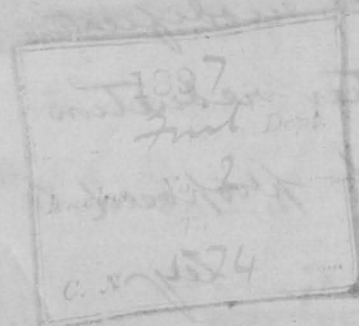

by the Accountant General as shown below:-
