Resolution.

With reference to G.O.No.777 Financial dated 14th November 1896 the Board resolves to submit to Government through the Accountant-General a memorandum of altered grants for 1896-97 under "20 Police-Cattle Pounds" and the Village Service Fund.

3. In the portion of the Memorandum relating to "Cattle Pounds", no alteration is recommended in the grant for "construction and repair of pounds". In Board's Proceedings No.28 dated 22nd January 1897, Collectors were asked to report the probable savings under this head. The Board, however, sees no reason why it should not be possible to utilise the sanctioned grant in full. The last annual report on the operations of the Cattle Pound Fund shows that there is considerable scope for improvement in the condition of pounds. The Board is therefore unable to support the Accountant-General's proposal to reduce the sanctioned grant by Rs.18,000.

3. These proceedings will be communicated to all Collectors in continuation of Board's Proceedings No.100 dated 13th March 96, with the request that special efforts may be made to utilise the sanctioned grants and that full explanation may be furnished if any surrender of grant should be found to be absolutely necessary.

No. 566

From

J. L. Harrison Esqr.,

offg. ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government
Financial Department.

SIR,

With reference to Board's Proceedings No. 48 dated the 6th February '97, forwarding the Memorandum of Altered grants for 1896-97 under 20 Police Battalions and Village Service Funds, I have the honour to offer the following remarks:

(a) Construction & Repair of Bouds. The Board expresses a hope that the provision made in the estimate will be fully utilised and accordingly repeats the budget grants in column 6 of the Memorandum. But 9 months actuals of the current year are in advance of those of the same months of last year by Rs 1,317 only and do not warrant the raising of

of

1,731	500	220
lectors' monthly salaries	7,000	5,269

of my Revised Estimate.

(b) Village Service Funds - Allowances to District and Village officers. The Board considers that

a grant of Rs 32,92,000 is necessary i.e. Rs 3,500 in excess of the Budget grant of Rs 32,88,500.

This figure included a lump provision of Rs 30,000 for anticipated increases owing to the revision of Village establishments.

As these allowances are not regularly drawn, my Revised estimate may safely be retained.

(c) — do — Land Reeds & Agriculture

My revised estimate is justified by present actuals. Nine months actuals of the current year are Rs 20,000 less than the corresponding figure last year in which the total expenditure was 12,78,000. My Revised is 12,56,000.

I have the honour to be,

Sir,
