Enclosure.

SIR,

I have the honor to request that Government will be pleased to sanction an allotment of Rs 250 to meet the contingent charges of this office for the remaining two months of the current year, as the provision made in the budget for the purpose has been almost expended. I may state that I had to pay Railway fare to take delivery of one set of tents which arrived from Cawnpore and had to incur during the year increased expenditure under postage and telegrams on account of precautionary measures taken to prevent the possible appearance of Bubonic Plague in the Presidency and to minimize the danger of epidemic outbreaks during the Mahamagham Festival. The above charges were not

foreseen at the time the budget was framed.

I have the honor to be,

Sir,
