OFFICE NOTE.

In reply to Memorandum, No. 446 Financial, dated 19th February 1897, the Supt. Govt. Press submits that the continuance of the several temporary establishments in 1897-98 are required for the following reasons.

2. Printing Dept. — The services of the 3 proof-readers on Rs. 15 each, the 3 reading boys on Rs. 5 each, and a galley pressman on Rs. 7 are required for printing the old record for the Chief Secretariat, the Board of Revenue, the Madras Deputy Collector's Office, and the Annual Indexes.

The old record work has been going on since 1893-94, and it is not likely to be completed for several years. Without sanction for these employes, the work must be stopped in its printing.

3. Binding dept. — The need for this establishment is shown in the increasing quantities of

work turned out during the past

four years —

Value of work
Rs.

1892-93 17,285

1893-94 20,003

1894-95 23,435

1895-96 24,695

and there has been no reduction of work in the present year. In former years as work increased, a small temporary establishment was employed, and later on they were transferred to the permanent establishment, when it was found that the quantity of work did not diminish.

The present establishment is required for making quinine envelopes*, ordinary covers† for all depts, the outturn of the monthly district gazette, and assisting in the outturn of special binding work ordered from time to time. To reduce the number, or abolish, this temporary establishment would necessitate proposals for some of the work being given to private firms, as it would be impossible to undertake it with the present permanent establishment.

4. Type-foundry. — A few years ago it was not possible to obtain

* 1895-96	—	1,055,000	quinine envelopes
1896-97 for nine months		940,000	"
+ 1895-96	—	302,800	Covers
1896-97 for nine months		189,505	"

a skilled typesetter, and a young man was engaged and has been trained for the work, his salary being paid from the temporary establishment. It is not possible to dispense with his services without hindering the making of punches and matrices.

5. Under these circumstances the undersigned solicits sanction for the continuance of the temporary establishments during the official year 1897-98.

6. On the submission of the next Budget Estimate sanction will be solicited for transferring this temporary binding establishment and the typesetter to the permanent establishment.

For Ad.

In the revision of letter
sanctioned in S.O. No. 907 of 8
13 July 1896 & a

hands on the piece-work establishment were transferred to the permanent establishment and the Supdt. in para 6 of his note (Chs. 712) proposes when submitting his next budget to solicit sanction for transferring the temporary binding establishment and the type-cutter to the permanent establishment. This is what the H. Mr. refers to when he says that the Supdt. is at transferring men to the permanent establishment again and that this must be watched. This paper will in the ordinary course be put up when the next session is proposed and the point be noted. J. H. 18/3/97
