As to receipts and expenditure of Company and supply of funds by Secretary of State.

45. All moneys whatsoever, from whatever source arising or derived, and whether attributable to account of capital or revenue, which shall during the continuance of this contract be received by the Company, and whether on its own behalf or as Agent of the Secretary of State or otherwise, shall (with the exception only of moneys payable to the Secretary of State under the 40th and 42nd sections of this contract, and of moneys paid by the Secretary of State to the Company or provided by him under the 41st, 42nd and 47th sections of this contract, or which it shall receive by virtue of the 4th sub-section of the 60th section of this contract) be paid without deduction at such times and in such manner as the Secretary of State may, from time to time, direct in manner following (that is to say): as to moneys received elsewhere than in India by or on behalf of the Company into the Bank of England to the credit of the Secretary of State, and as to moneys received in India by or on behalf of the Company into some Government treasury in India to be, from time to time, approved for the purpose by the Secretary of State. All the moneys paid by the Company under this section shall, when paid, become the absolute property of the Secretary of State, subject to the provisions of this contract, and so in particular that such of the same moneys as are under this contract to be treated as received on account of revenue shall be subject to the provisions hereinafter contained as to the application thereof.

A. R. KNAPP—6-2-97.

Honourable Member—
