Mis No. 552.

Read also letter from the Assistant Commissioner, Arcot Sub Division No 2182 dated 15th July 1896 submitting his report in connection with the drawing of pay of Sub Inspector, K. Sama Row for January 1894.

Read also letter from the same officer No 2662 dated 26th August 1896 submitting further explanation rendered by Inspector, M. R. M. Gopal Row stating that the pay of Sub Inspector, K. Sama Row was not drawn without a last pay certificate and Board's Reference thereon dated 12th September 1896 requesting the Assistant Commissioner, Arcot Sub Division to explain a certain discrepancy in regard to the submission of a Last Pay Certificate on behalf of the Sub Inspector above referred to by the

Inspector, Cumbum circle and to submit a bill for the arrears of pay due to the Sub Inspector.

Read also letter from the same office No 3339 dated 28th October 1896 submitting with remarks supplemental bills for the arrears of pay due to the Sub Inspector referred to above.

Read also letter from the same office No 4017 dated 29th December 1896 submitting the explanation of Inspector M. R. K. M. Gopal Rao received with a certain reference.

Read also audit slip from the Accountant General, Madras No A B H dated 6th January 1897 forwarding the Last Pay Certificate of Sub Inspector and requesting that it may be returned when no longer required.

Resolution.

The Board begs that Government will be pleased to authorise the Accountant General, Madras, under para 4 of the Government of India Resolution No 998P dated 2nd March, 1896, Communicated with Government order No 1422 Revenue dated 9th April 1896 to admit the claim to arrears of pay amounting to Rupees 30 put in by one K. Sama Rao, 5th grade Sub Inspector, Chittoor Circle for the periods from the 1st to 6th August and from the 7th to the 31st December 1893 under the

the circumstances explained below. Sanction is also requested for writing off under para 5 of the foregoing resolution the sum of Rupees 4-13-5 overdrawn by acting Sub Inspector P. Rama Chari at Rs 30 per mensem from 7th to 11th December 1893 during which period he was retained in service notwithstanding that the permanent incumbent K. Sama Rao had returned to duty.

2. Sub Inspector, K. Sama Rao, who was attached to the Cumbum circle in the year 1893 proceeded on 4 months leave without allowances on the 7th August of that year. His pay for the 1st 6 days in August 1893 was not, as it should have been, drawn and disbursed to him at the beginning of the next month or at least on his return from leave. The officer responsible for the omission is Mr W. Green who has since retired on pension.

3. The Sub Inspector returned to duty on the 7th December 1893 but the services of his locum tenens P. Rama Chari were not dispensed with on that date as the Inspector (Mr Green) desired to retain the acting incumbent and had applied to the Assistant Commissioner, Bellary Sub-

Division for the transfer of Sama Row to some other circle. The Assistant Commissioner issued telegraphic orders on the 8th December 1893 —
Transferring K. Sama Row to the Kumparti circle, a copy of which telegram was received by the Sub Inspector on the afternoon of the 11th December 1893. He was relieved at once and was in transit from the 12th to the 17th December 1893. He joined the Kumparti circle on the 18th December and was on duty for 3 days in that circle when he was again transferred to the Vellore circle which he joined on the 30th idem. His pay for December 1893 should have been drawn in the Vellore circle at the beginning of January 1894 but this was not done on the grounds that definite orders had not been passed as to how his service from the 7th to the 17th December 1893 should be treated whether as leave without allowances or as joining time and that the Sub Inspector's last pay certificate contained no information as to the dates of his relief from and return to duty in the Cumbum circle.

4. From further explanations received from the officers concerned it is observed that

He came to be attached to the Chittoor circle on the formation of that circle in September 1895.

- (1) K. Sama Row's service from 7th to 17th December 1893 has been treated as joining time under the orders of the Assistant Commissioner, Vellore Sub Division.
- (ii) He put in 3 petitions to the Assistant Commissioner, Arcot Sub Division one on the 16th August 1894, the second on the 9th November 1895 and the third on the 13th December 1895 regarding the arrears of pay due to him.
- (iii) and that the Inspector, Vellore circle, the Assistant Commissioner, Arcot Sub Division and the Assistant Commissioner, Vellore Sub Division are responsible ~~are responsible~~ for the delay of over 2 years in preferring the claim.

5. As regards item no. 1, the order of the Assistant Commissioner, Vellore Sub Division that K. Sama Row's service from the 7th to the 17th December 1893 should be treated as joining time ^{cannot stand as no officer is entitled to joining time} on return from leave without allowances (vide article 202 of the Civil Service Regulations). The period from 7th to 11th December 1893 should be treated as service in the Cumbum circle and the remaining period 12th to 17th December 1893 should be treated as joining time. The Sub Inspector's Service Book will

will be returned to the Assistant Commissioner,
Nellore Sub Division in view to the necessary corrections
being made. The amount overdrawn by the
acting incumbent P. Ramachari from the
7th to 11th December 1893 will as stated in para 1
Supra have to be written off the accounts. As
regards items ii & iii the Deputy Commissioner,
Central Division, is requested to report to the Board the
names of the officers chiefly responsible for the
disgraceful delay which has taken place in the
disposal of this officer's claim for pay. It is impossible
now to go into the question of the extent of the
culpability of all who have had a share in it
but it should be easy enough to select a
few of the chief offenders. The Deputy Commissioner
is requested to remember in doing so that the Board
holds the head of an office responsible for
the misconduct of the subordinates and will
not allow the blame to be thrown on the
clerks. If one or two officers have their promotion
stopped in connection with this very discreditable
affair it will produce a very good effect on
the department generally.

6. The Last Pay Certificate received from the
Accountant General with the last of the papers
read above is herewith returned.
