CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,

FROM

M. HAMMICK, Esq., I.C.S.,

INSPECTOR-GENERAL OF POLICE,

Madras,

To

The Chief Secretary to Government,

Fort St. George.

SIR,

Enclosures.

With reference to para 4 of G. O. No.46 Financial dated 19th January 1897, I have the honor to state that the difference between the Accountant-General's revised estimate for 1896--97 and that of mine viz. Rs. 13 for Police receipts XVII is made up as follows:-

	Inspector-General's revised Estimate for 1896--97.	Acct. Genl's revised Estimate for 1896--97.	Difference between items 1 & 2	Accountant General's actuals for 8 months
1 Police supplied to Municipal, cantonment and Town Funds	360	4,000	3,640	2,567
2. Police supplied to Public Departments Private Companies and persons	30,000	30,000	"	23,629
3. Fees, Fines and forfeitures....	1,000	2,000	1,000	908
4. Superannuation Receipts- Miscellaneous	1,500	2,100	600	1,151
5. Recoveries on account of arms....	2,000	4,000	2,000	2,206
6. Miscellaneous....	3,500	9,000	5,500	7,732

2.

Item 1. The 8 months' accounts under item 1 include Rs.2290 recovery of the Punitive Police in Malabar and Tinnevelly which should appear against item 2 (Police supplied to Public Departments, Private Companies and Persons) under which they are budgetted for. Deducting this sum the balance is Rs.277 (2567--2290).

Only the recovery on account of Police supplied to Wellington Cantonment (Rs.30 per mensem vide G. O. No.531 Judicial, dated 3rd March 1894) appears under item 1. My revised estimate under this head is correct.

The revised estimate for item No.2 was arrived at by me as follows:-

Police supplied to Public Departments, Private Companies and Persons.....	Rs.14,000.
Punitive Police Malabar.....	" 3,000.
Do. Nellore.....	" 250.
Do. Tinnevelly.....	" 2,750.
Railway Platform Police up to October 1896....	" 10,000.
	<u>30,000.</u>

Item No.3. The accounts for 8 months are Rs.908 and the last year's receipts were Rs.1125. The probable receipts for the current year will be about Rs.1,300. It is not understood why Rs.2,000 have been adopted by the Accountant-General.

Item No.4. The accounts for 8 months are Rs.1151 and the last year's receipts were Rs.1,472. The probable receipts for the year 1896-97 will be Rs.1,500. It is not understood why Rs.2,100 have been fixed by the Accountant-General.

Item No.5. Recoveries on account of arms depend upon the number of arms or components of arms becoming unserviceable and returned into the Arsenal within the year. The receipt does not recur monthly in the same proportion. It is not understood why Rs.4,000 have been adopted by the Accountant-General, while the 8 months accounts are Rs.2,206. This figure includes Rs.540 for 84 M. L. Carbines returned into the Arsenal. As no

more Carbines will be returned within March this year, I do not expect more than Rs.2,500 as receipts for the whole year.

Item No.6. The accounts for 8 months include Rs.5,850 being the amount of Moplah fines transferred to the credit of this head from Criminal Courts Deposits towards the erection of Police stations and huts in Ernad and Walavanad Taluks. This adjustment was communicated to me since my budget estimate was submitted. I am in communication with the Accountant-General as to whether the amount may be deducted from charges as funds have been provided for the above works from the grant for Hutting and Building vide para 4 of my letter No. 379 dated 31st January 1897. Deducting the amount from the accounts for 8 months the balance would be Rs.1,882 and the equivalent figure for the whole year would come to about Rs.3,000. The difference between this and the figure entered in the revised estimate viz. Rs.3,500 will be made up by the slight excesses now anticipated under items 3 (Fees, Fines and Forfeitures) and 5 (Recoveries on account of arms).

I have the honor to be,

Sir,

Your most obedt. servant,

M. M. M.

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Financial Department.

SIR,

With reference to your endorsement
No 534 dated the 4th March 1897 referring
for my remarks the accompanying
letter from the Inspector General of Police
explaining the difference between his
and my Revised Estimate for the current year
under XVIII Police Receipts Proper. I have
the honour to state as follows:-

2. As regards items (3) and (5) the
Inspector General admits that his Revised
Estimate

Estimate figures based on earlier actuals are too small and accordingly raises them to Rs. 1300 and 2500 respectively.

But even these figures have been exceeded by the 10-months actuals now available, while the difference between my Revised Estimates and the actuals if any will not, it is expected, exceed a few hundreds.

3. The difference between his Revised Estimate and mine under item (4) is only in hundreds which cannot be avoided as I have to round my major head totals to thousands of Rupees.

4. My Revised Estimates under items (1), (2) and (6) which present the largest variation are also borne out by the actuals of the past and current years.

As

As regards the last item, however, I have since decided on a change in classification by which the moflah fines in question will be transferred to the credit of XVI A. Law and Justice - Courts of Law and this change was communicated to the Inspector General of Police in my letter No. DBE dated 13th 34 March 1897.

5. With reference to the question of classification raised in respect to item No (1) I agree with the Inspector General of Police that the receipts on account of the Primitive Police should be credited to the minor head Police supplied to Public Departments, Private Companies and Persons. The credit of these receipts to the minor head Police
