From

W. A. Michael Esqre,
Off. ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Finance Department.

SIR,

I have the honour to submit the
following for the early orders of Government.

The Comptroller of India Treasuries,
Calcutta in his letter No ⁷³⁴/_{a/c} dated 11th Novr
1889, copy of which is herewith forwarded
requested this office to charge the Hydera-
bad Administration with the cost of all
official publications of this Government
supplied to the Hyderabad Assigned Districts
including the office of the Resident. On
this the Superintendent, Government Press

was asked to furnish this office annually with a list of such publications, and he accordingly sent this office every year a list showing the cost of Fort St. George Gazette supplied to that administration. The amounts of these lists were recovered annually from that Administration through the Exchange Accounts of this office. In the list for 1896, however, the Superintendent Government Press included also the annual administration reports noted in the margin in view to their cost being recovered from that administration. But when asked to explain why these publications had been omitted in the lists for previous years the Superintendent states that in the years previous to 1896-97 the reports in question were supplied direct by the several Secretariats without his knowledge.

In this connection, I would invite the attention of Government to this office letter No. 572 dated 9 February 1897 recorded in Government Order Financial No. 195 dated 3 March '97 from which it will be seen that the Comptroller of Hyderabad first raised a debit of Rs. 1110. 4. - for the

Annual Report of the Sanitary Commissioner and Sanitary Engineer for 1895

 Sanitary Commissioner Report for 1895
 Jail Administration Report for 1895

the cost of Berar publications supplied to officers of this Government and that the debit was subsequently withdrawn by that officers when this office pointed out to him that the publications of this Government mentioned in Government Order N Financial No. 701 dated 16 November 1896 - except the Fort St. George Gazette were supplied to the Berar Administration free of charge.

I beg therefore to enquire whether under the circumstances the cost of the annual reports included by the Superintendent Government Press in his list of supplies for 1896 should be recovered from Hyderabad along with the cost of Fort St. George Gazette or whether their supply should be considered free of cost in consideration of a similar free supply of Berar reports to this Government.

I have the honor to be,
 Sir,
 Your most obed^t. Servant,
 W. Nichol
 Offy. Accountant General.
