GOVERNMENT OF INDIA.

FINANCE AND COMMERCE DEPARTMENT.

Calcutta, the 23rd March 1897.

The Chief Secretary to the Government of Madras
Financial Department.

Sir

I am directed to acknowledge the receipt of your letter No. 126, dated the 8th February 1897, recommending that the allowance of Rupees 50/- a month payable by the Superintendent of the Postmaster General's office, Madras, for carrying on the work of the District Post, may be classed as "pay" during the incumbency of Rai Bahadur P. Anantha Charlu who has held the appointment since July 1886.

2. The allowance is, as the Government of Madras recognise, a local allowance, though it appears to have been wrongly taken into account in the calculation of the pension of Mr. De Caster who was the predecessor of the present incumbent in the office of Superintendent. The recommendation appears to have been made mainly with the object of securing the inclusion of the amount of the allowance in the calculation of Rai Bahadur P. Anantha Charlu's pension.

It is however doubtful if any decision that may be now given will ultimately affect this officer's pension at all. It is not impossible that he may never qualify for pension, or that he may take pension from another office.

3. Under these circumstances and in view of the rule in article 995 of the Civil Service Regulations, the Government of India would prefer to pass no orders on the question, so far as it relates to pension until the necessity for doing so actually arises. In all other respects they agree with the Government of Madras in holding the allowance to be a local allowance.

I have the honour to be,
Sir,
Yours most obedient servant,

R M Dunc.

Deputy Secretary to the Govt. of India
