Sir,

With reference to Board's Memorandum of altered grants for 1896-97 forwarded with its Proceeding Mis No. 453 dated 4th February 1897, I observe that the grant now considered necessary for supplies and services and contingencies is fixed at Rs 22,277 in Excess of the Budget grant and the Board arrives at this Estimate by adding to the 9 months actuals of the current year, those of last 3 months of 1895-96.

2. I have the honour therefore to Enquire why it is considered necessary to Exceed the allotment and whether the Expenditure cannot be Kept within the grant. The favor of a very early reply is requested.

READ letter from the Accountant-General, Madras, — No. 554, dated 17th February 1897.

Resolution:— The Accountant-General is informed that the excess estimate of Rs 22277. over the budget grant for 1896-97 under "3 Land Revenue Charges of District Administration" — "Supplies and Services" and "Contingencies" may be reduced to Rs 19277 as Collectors have since surrendered Rs 9000 in round figures under Petty Construction and repairs against Rs 6000 anticipated by the Board. The excess of Rs 19,277 is made up chiefly of Rs 9000 anticipated under "Supplies and Services - Remuneration to Copyists," Rs 7000 under "Service Telegrams" and Rs 5000 under "Service Postage". The first item is a fluctuating one and the increase under the other two items is due to the present distress. It is not therefore possible to keep the expenditure under the above heads

REMARKS.

(a) Increased with reference to the actuals of the first nine months of the current year (Rs 98988) & those of the last three months of 1895-96 (Rs 26040)

(b) The decrease is due chiefly to the lower rate of exchange compensation allowance.

(c) The budget estimate has been reduced with reference to the actuals of the past nine months of the current year and those of the last 3 months of 1895-96

(d) Transferred from 3 - Land Revenue "3A - charges of Dt. Administration" to 3 D Land Records and Agriculture vide Go $\frac{139}{9.1.97}$ mis (BP $\frac{188 \text{ mis}}{16.1.97}$)

(e) The increase is due to the transfer of Rs 16000 above referred to, as also to the payment of travelling allowance to Tahsildars under Go $\frac{2341}{6.7.96}$ revenue (in BP $\frac{256}{13.7.96}$)

(f) Increased with reference to the actuals for the last nine months of the current year & those of the last 3 months of 1895-96

(g)- The decrease is due chiefly to the non-realization of the provision for the improvement of the position of taluk gumastahs and to the grant of daily allowance instead of horse-allowance to Tahsildars contrary to the expectation in the budget.

(h) Fixed with reference to Calculations in BP $\frac{108 \text{ mis}}{11.1.97}$

(i) The decrease occurs chiefly under (1) Salary of Secretaries (2) Exchange Compensation allowance

(j) The decrease is due to the anticipated non-utilization of the full allotment provided for purchase of "Press materials and Stocks" within the year.

The other items do not call for Special remarks, and the figures in Col. 6 have been calculated with reference to the actuals for the last nine months.

1600	30 Stationery and Printing Cost and carriage of Stationery L. R.	at the disposal of the Board. The actual expenditure under this head was Rs 1561-14-7 against Rs 200 sanctioned for 1896-97. The excess is due to the fact that the packages of printed forms &c are sent from Madras by rail instead of by sea as was the case before. The amount now applied for is required to cover the excess expenditure already incurred and the probable expenditure in February and March 1897. It is requested that the same may be sanctioned from the general savings.

Statement proposing expenditure for which provision has not been made in the budget for 1896-97 and which cannot be met from anticipated savings under the grant head.

Amount of Allotment	Major head under which the expenditure falls	Explanation as to why no reappropriation within the budget grant is considered possible	Major head from which a transfer to meet the charges is ordered.
6000	I Refunds. Land Revenue	The actual expenditure upto the end of January 1897 under this head was Rs 13106-8-3 against the sanctioned allotment of Rs 10000 for 1896-97. The difference was due to refunds of excess collections being larger than was at first anticipated. The sum now applied for is required to cover the excess in the past and to meet the future expenditure and it is requested that it may be sanctioned from the general savings.	
3000	3. Land Revenue. Travelling allowance of establishments.	The actual expenditure under this head upto the end of January 1897 was Rs 11256-2-5 against the sanctioned allotment of Rs 10000. The excess was due to the frequent touring of the taluk and Divisional officers with their establishments on collections &c duties and for inspecting the fields and villages affected by late Godavari floods which caused much damage to crops and property. Further, travelling allowance has been recently sanctioned for Tahsildars also. It is requested that the additional sum applied for may be sanctioned from the General Savings.	
500	3. Land Revenue Elephant Charges	The actuals under this head upto the end of January 1897 were Rs 2562-4-3 against the sanctioned allotment of Rs 3000. The sum now applied for is required for the expected expenditure during the February and March 1897 and it is requested that the same may be sanctioned from the general Savings.	
250	3. Land Revenue Charges for the service &c of Revenue process.	The expenditure under this head was Rs 1543-4-3. against Rs 1700 sanctioned for 1896-97. The sum now applied for is required to meet the probable expenditure during the Collection months of February and March 1897 the season not being very favourable. It is requested that the amount asked for may be ordered to be transferred from the sum of Rs 700 sanctioned for acquiring lands and for registering security bonds of Government servants &c as the whole of it is not likely to be required for that purpose.	
250	3. Land Revenue Remuneration to Copyists and Examiners.	The total expenditure under this head upto the end of January 1897 was Rs 6148-6-8. against Rs 7000

		Sanctioned. The increase is expected with reference to the actuals of February and March 1896. It is requested that the additional allotment now applied for may be sanctioned from the Savings under "Remittance charges".
1000	3 Land Revenue Service Postage	The expenditure upto January 1897 under this head was Rs 8862-14-0 against Rs 9400. It is requested that the additional sum asked for may be sanctioned from the General Savings in order to meet the expected charges in February and March 1897.
800	Do. Service telegram	The expenditure under this head up to the end of January 1897 was Rs 2960-15-0 against 2690 sanctioned for the year. The increase is due to the fact that lengthy season etc reports have to be submitted to the Board very frequently owing to the unfavourable character of the season. The sum now applied for is required to cover the deficit and to meet the expected expenditure during the two months and it is therefore requested that sanction may be accorded from the General Savings.
250	Do Purchase and repair of furniture Costing Rs 50 or more.	The sum of Rs 500 sanctioned under this head was distributed among the several offices of the District. A sum of Rs 250 which could not be foreseen in the beginning had to be paid to Messrs P. L. M. Moothiah Chetty and Co, Madras, on account of the cost of 2 iron safes supplied under orders of the Board. It is therefore requested that the sum now applied for may be sanctioned from the savings
