READ—the following paper:—

From F. W. ASHPITEL, Esq., A.M.I.C.E., Executive Engineer, Lighthouse Division, Madras, to the Chief Engineer, Public Works Department, dated 9th January 1897, No. 163.

I have the honour to forward, herewith, plans and estimates as noted below for a lighthouse and buildings proposed to be constructed at False Point Divi, and request that early sanction may be accorded in order that full advantage may be taken of the working season.

2. As the Kistna canals will be closed for two months from 1st March, I request permission to prepare moulds and collect materials and to incur expenditure not exceeding Rs. 6,000 before the 31st March as, unless I can do this, there will be much delay in the progress of work.

3. I request that a sum of Rs. 70,000 may be placed at my disposal for expenditure during 1897-98 on this work.
