Proceedings of the Madras Government

Letter from the Surgeon-General with the Government of Madras, No 222 dated 12th April 1897, forwarding, with remarks, letter from Surgeon-Major W. B. Bannerman, Inspector of Vaccination and Deputy Sanitary Commissioner requesting to be allowed to return to Bombay to study the bubonic plague more fully under M. Haffkine.

The Government fully agrees with the Sanitary Commissioner and the Surgeon-General. Surgeon-Major Bannerman will accordingly, be deputed to Bombay after the bulk of the annual vaccination report has been completed. A peon will accompany him to Bombay as suggested.

In the opinion of Government it is unnecessary to appoint any officer to carry on the inspection work during Surgeon Major Bannerman's absence.

5. Orders will issue in the Financial Department for the sanction of the maximum deputation allowance of Rs 10 to Surgeon Major Bannerman.
