From

Offg. ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Financial Department.

SIR,

I have the honour to state that the I.G.S. "Margarita" was placed at the disposal of the Collector of Malabar from 3^d to 16th December 95 for the inspection of the Laccadive Islands and at the disposal of the Presidency Port Office, Madras from 9th to 11th April 1896 for his inspection tour to Pamban. The actual expenditure of the vessel including 10 per cent for wear and tear according to statements received from the Collector of Linnings amounted to Rs 7177-12-7 on the former and Rs 302-13-4 on the latter account. That Officer requested me to ^{adjust} ~~admit~~ the above amounts to the credit of the vessel. With the concurrence of the Port-

Port Office, I have adjusted the sum of Rs 302-13-4 referred to above to the credit of the steamer by debit to Port Funds. As regards the other item of Rs 7177-12-7 I have informed the collector that no further adjustment is necessary on the grounds mentioned below. The collector's proposal merely involves the transfer of the charges from one Provincial head to another; and from the tenor of the remarks of the Board of Revenue in their Proceedings No. 6683 (Land Revenue) dated the 3rd December 1894 and from the remarks entered against the head "XVIII Marine" in the budget estimates for 1896-97 (G.O No. 1033 Financial dated 19th December '95) it would appear that the decision of the Board generally was not to charge other departments of Government for the use of the vessel. Credit was taken in the budget estimates of that year only for a small sum of Rs 500 under the item "Hire of Vessels" apparently in view of possible recoveries from bodies financially independent of Government such as Port Funds. This decision is also in accordance with (Article 95) of the Civil Account Code.

Under these circumstances I beg that
