SIR,

With reference to Memorandum No: 641, Financial, dated the 13th March 1897, I have the honor to state that the grant recommended from Provincial funds was towards the pay and allowances of the Civil Apothecary for work done on behalf of Government (such as conducting post-mortem examinations, attending on the Government servants employed at the station) which he is required to do and not for the upkeep of the Municipal Hospital as stated in the Memorandum.

2. This concession has been given in the case of all medical subordinates lent to Local Fund and Municipal Hospital and dispensaries. Hence the word "usual" was used in my letter under reference.
