① The figures under these heads have not been altered. The distribution under the sub-heads proposed in the budget statement printed on pages 18 to 22 of B.P. Form No. 29 dated 20th January 1897 remains therefore unchanged.

2. The budget estimate of receipts, as sanctioned by the Local Government, has not been altered by the Government of India. The distribution already given in the budget estimate approved by the Local Government will therefore stand. From the papers recorded above, it is clear that so far as the specified heads are concerned, this estimate cannot possibly be realised with the allotment provided for expenditure under these particular heads. This point will be dealt with further on.

3. As regards the distribution of the revised estimate for 1896-97, the attention of the Accountant-General will be invited to Board's Proceedings Forest No. 534 Dms, dated 18th April 1895. The Board is not in possession of the latest Actuals and the distribution may, as usual, be made in the Accountant-General's Office.

4. The figures under the budget estimate of charges for 1897-98 given above, do not include provision on Account of the pay and travelling allowance of the increased sub-ordinate staff recently

recently sanctioned. Revised budget estimates have been called for from the Conservators with reference to the Accountant-General's letter dated 8th March 1897, No. 786 and on their receipt, the Board will proceed to apply for the necessary additional grant.

5. With reference to the enquiry of the Local Government conveyed in para. 3 of the Order dated 8th March 1897, Dms. No. 1296, Revenue, and in continuation of Board's Proceedings Forest No. 256 Dms, dated 17th March 1897, the Board begs leave to report that under the revised distribution of charges proposed in para. 1 above, the reduction in the budget estimate of receipts is expected to amount to Rs 53,150 as shown below instead of Rs. 71,000 as formerly estimated:—

Budget heads of receipts	Northern Circle.	Central Circle	Southern Circle	Total
	Rs.	Rs.	Rs.	Rs.
I (a)	900	23,500	"	24,400
I (b)	8,500	13,250	7,000	28,750
Total	9,400	36,750	7,000	53,150.

The reductions anticipated not being large when compared with the total under all heads, the Board considers that pending the preparation

preparation of the Revised Estimate, the Estimate sanctioned by the Government of India may be accepted provisionally. If necessary, the Board will apply later on in the year under the terms of the Government of India Resolution in G.O. No. 3694, Revenue, dated 10th September 1895, for such additional allotment as may be required to secure any revenue which the Department would otherwise have to forego. In the meantime, the Conservators must endeavour to provide what is required by means of transfers and the utilization of savings, and no contract involving a certain profit should be rejected.

6. In the statements submitted by the Conservator, Southern Circle, with his letter read above, he provides for an additional expenditure of Rs 20,000 under B - Establishments to meet the cost of the increased scale of subordinate establishment recently sanctioned. The Conservator is requested to submit with reference to Board's Proceedings Forest No. 236, dated 10th March 1897 a revised budget statement under B - Establishments and a revised districtwise distribution in the forms printed on pages 14 to 16 and 18 respectively of Board's Proceedings Forest No. 482 dated the 16th October 1896. The Board will then proceed, as stated in paragraph 4 above,

721 7th

Order thereon, No. 2275 Mis. d/5th May 1897.

In the circumstances reported, the Government agrees with the Board in considering that pending the preparation of the revised estimates, the figures sanctioned by the Government of India for the current year may be accepted provisionally, any allotment that may be required to prevent loss or to secure increase of revenue being made later on if necessary.

2. The distribution, now proposed by the Board, of the sanctioned estimate of charges for the current year is also approved.
