Letter from the Deputy Conservator of the Port of Madras, to the Secretary to Harbour Trust Board Madras, No. 847, dated 5th April 1897:-

Owing to the Quarantine Regulations at present in force it often happens that I cannot have the use of the Deputy Conservator's Port Gig when I require her on account of her being required for the Health Officer of the Port or his Assistant and I have the honour to request therefore that sanction ~~may~~ be obtained to my making temporary arrangements for the providing of a ^{hired} jolly boat suitably manned and equipped for the Health Officer's use and which I believe could be done for Rs. 30 per mensem.
