LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From K. C. MANAVEDAN RAJA, Esq., President, District Board, Anantapur, to the Secretary to Government, Local and Municipal Department, dated 4th January 1897, No. 2.

I have the honour to submit herewith the consolidated budget estimate of the local funds in the district of Anantapur for the official year 1897–98 and the prescribed statements.

2. The budget estimate was placed before, and passed by, the district board at their meeting held on Saturday, the 19th December 1896. A copy of their resolution and a map of the district are herewith submitted.

REVISED ESTIMATE.

3. *Opening Balance.*—The year opened with a balance of Rs. 16,760 as intimated by the Accountant-General, and it is distributed between the district and the three taluk boards as detailed below :—

	Rs.
District board	5,980
Anantapur taluk Board	1,740
Gooty ,, ...	5,330
Penukonda ,, ...	3,710
Total ..	16,760

Receipts.

4. The receipts are estimated at Rs. 87,970. This being added to the opening balance of Rs. 16,760, the total amount available for appropriation is Rs. 1,04,730 against the budget estimate of Rs. 1,42,340. The net decrease of Rs. 37,610 is chiefly due to the decrease of Rs. 39,650 under "Opening balance," "Land-cess," "School-fees," "Market rents," "Avenues and sundry receipts" and an increase of Rs. 2,350 under the following minor items among others :—

(*a*) Tolls.
(*b*) House-tax.
(*c*) Bungalow-fees.
(*d*) Fishery rents.
(*e*) Provincial grant on account of education.

5. *Opening Balance.*—The decrease of Rs. 1,410 is chiefly due to the decrease under land-cess in 1895–96 explained in paragraph 9 of the administration report for that year.

6. *Land-cess.*—The decrease of Rs. 38,240 is attributable to the revision of kistbandi according to which the land-cess due for April and May cannot be realized in the current year.

7. *School-fees.*—The decrease of Rs. 200 is expected by the Gooty taluk Board owing to the fall in the strength of some of the salary-result system schools and to the abolition of the salary-results school at Amalladinna.

8. *Tolls under Act V of* 1884.—The increase of Rs. 280 under tolls is due to the competition among bidders at the time of leasing out the gates at Gooty, Penukonda, and Hindupur.

9. *Contribution from the Anantapur Municipality on account of Tolls.*—The increase of Rs. 150 is also due to the competition among bidders.

10. *House-tax.*—An increase of Rs. 720 is anticipated by the Penukonda taluk Board from the tax in the hamlets attached to Bukkapatnam union and on new buildings in Hindupur union.

11. *Bungalows.*—The increase of Rs. 200 under this head partly represents the rent realized from bungalow at Gooty rented for the Deputy Collector's office at Rs. 30 per mensem from April to 8th October 1896. The remaining Rs. 50 is the fees expected from the travellers' bungalow at Anantapur which is re-opened for travellers.

12. *Fishery rents.*—The increase of Rs. 340 is due to the rents fetched during the past six months of the year, some of the tanks being almost dried up.

13. *Contribution from Provincial Funds for Education.*—The increase of Rs. 310 is expected by the Anantapur taluk Board.

14. The variations between the budget and the revised estimates under other items are explained in the remarks column of statement IX.

Expenditure.

15. The expenditure as per revised estimate amounts to Rs. 1,40,970 against an estimate of Rs. 1,40,180. The net increase of Rs. 790 is distributed as follows :—

From the foregoing facts it will be observed that the transactions of the current year are expected to close with a large deficit balance of Rs. 40,450 under the general funds though the real deficit comes to Rs. 2,210. This is chiefly due to the loss of Rs. 38,240 under land-cess alluded to above. As a necessary result of this expected deficit in the closing balance of the current year, the budget estimate for the next year will close with a large minus balance of Rs. 40,910.

BUDGET ESTIMATE FOR 1897–98.

Receipts.

22. The receipts of the year are estimated at Rs. 1,23,970. This added to the closing deficit balance of the current year, viz., Rs. — 36,240 reduces the total assets to Rs. 87,730, against Rs. 1,42,340, the budget estimate for the current year. The net decrease of Rs. 54,610 is chiefly due to the decrease under items marked I and increase under those marked II :—

(2) *Land-cess.*—There is a decrease of Rs. 1,450 under this head as compared with the budget estimate for the current year.

(3) *School-fees.*—The decrease of Rs. 550 under school-fees is due to the abolition of thirteen salary-result schools under the Penukonda (twelve) and Gooty (one) taluk boards.

(4) *Miscellaneous Receipts.*—Rs. 60 still due by the Anantapur Municipality towards the liquidation of Rs. 2,000 contributed by the district board for the construction of a school-house at Anantapur.

(*a*) *Tolls including Municipal Contribution.*—The increase of Rs. 400 is based on the actuals realized by the sale of the gates during the current year.

(i)	Assessment of the tax in the hamlets of the Bukkapatnam Union ..	810
(ii)	Revision of the tax in the Penukonda Union	
(iii)	Inclusion of two new villages in the Madakasíra Union

23. The total expenditure under all the five grants is estimated at Rs. 1,27,570 against Rs. 1,40,180 budgeted for in the current year. The decrease appears under Grants 1, 2, 3 and 4 :—

The net decrease of Rs. 2,360 is explained hereunder :—

28. *Repairs—Civil Buildings.*—A provision of Rs. 1,190 is made under this head for the repair of hospitals, school buildings, chattrams and bungalows against Rs. 1,000 in the current year's budget. The increase is due to the provision made for repairing the servants' quarters of the District Board Engineer's house.

29. *Miscellaneous Public Improvements.*—A sum of Rs. 1,350 is provided for the maintenance of existing avenues against Rs. 1,400 made during the current year.

30. *Establishment.*—The cost of the engineering establishment amounts to Rupees 9,650 against Rs. 10,250 in the current year. The decrease is due to the revision of the engineering establishment. Considering the small outlay on works in the district, it is thought necessary to revise the existing staff of overseers. At present there are five overseers as follows :—

One overseer	on Rs. 50	in charge of	the	Gooty and Tadpatri taluks.
,,	on ,, 50	,,	,,	Anantapur and Tadpatri taluks.

,,	on ,, 50	,,	,,	Madakasíra and Hindupúr taluks.
Sub-overseer	on ,, 30	,,	,,	Kalyandrug taluk.

The taluks of Anantapur and Kalyandrug may be amalgamated and an overseer on Rs. 50 allowed to them, abolishing the sub-overseer on Rs. 30, and the district board in its resolution No. 1, dated 19th December 1896, sanctioned the same.

The funds at the disposal of the board being very low and the roads not demanding much repair owing to the limited fall of rain during the current year, the limit prescribed in G.O., No. 1686 L., dated 14th September 1895, for communications could not be reached. Every endeavour will, however, be made in future years to increase the allotments as funds permit.

31. *Grant* 2, *Education.*—The provision made under this grant amounts to Rupees 22,200 against the current year's provision of Rs. 27,400, and it is distributed as exhibited below.

32. *Inspection.*—As in the current year Rs. 2,310 are provided as detailed below :—

	Rs.
One inspecting schoolmaster at Rs. 30	360
Four inspecting schoolmasters at Rs. 25 each	1,200

Total ..	2,310

33. *Sessional School.*—No provision has been made for want of funds.

34. *Lower Secondary School on Salary System, Penukonda.*—Rupees 1,330 are provided against Rs. 1,300 in the current year. The increase of Rs. 30 is due to the increase of pay from Rs. 7 to Rs. 10 allowed to the certificated gymnastic instructor of the Penukonda middle school and the savings effected under contingencies. As instructed by the Accountant-General the pay of the gymnastic instructor is shown under salaries of masters instead of under clerks and servants.

35. *Lower Secondary School on the Salary-Result System, Dharmavaram.*—A provision of Rs. 570 has been made against the budget estimate of Rs. 580. The decrease of Rs. 10 is under contingencies of the school.

36. *Elementary Schools.*—A sum of Rs. 13,250 is provided under this head against the budget estimate of Rs. 17,870. The decrease of Rs. 4,620 is due to the following :—

(*a*) *Salaries of Masters.*—Rs. 8,160 are provided against the budget estimate of Rs. 9,560. The decrease of Rs. 1,400 is due to the abolition of schools at—

	Rs.

	1,392 or 1,400 in round figures.

(*b*) *Salary Results for Boards' Schools.*—Rupees 2,990 are provided against the budget estimate of Rs. 5,480. The decrease, viz., Rs. 2,490 is due to the abolition of the schools referred to above and to the payment of results grants at Rs. 50 per cent. instead of Rs. 75 per cent. The decrease under clerks and servants and miscellaneous is also due to the abolition of the salary-result schools.

37. *Results.*—Rs. 3,720 are provided against Rs. 3,800. It is proposed to pay the results at Rs. 75 per cent. for want of funds.

38. *Miscellaneous Grants.*—Rs. 120 are entered against Rs. 50 provided in the current year's budget. The increase of Rs. 70 is due to the provision made for a colporteur by the Anantapur taluk Board as recommended by the Director of Public Instruction.

39. *Grant 3, Hospitals and Dispensaries.*—A sum of Rs. 14,030 is provided against the budget estimate of Rs. 15,700. The net decrease of Rs. 1,670 is due to the following.

40. *Medical Subordinates.*—Rs. 5,590 are provided against Rs. 7,190 in the current year's budget. The decrease of Rs. 1,600 is due to the proposed substitution of the present military apothecary in charge of the Munro hospital by a fiirst-class hospital assistant or by a civil apothecary, the second-class hospital assistant in charge of the Bukkapatnam and Madakasíra dispensaries by third-class hospital assistants and the first-class hospital assistant at Dharmavaram by a second-class man. As the Taluk Boards, Gooty and Penukonda, cannot afford in the present state of their funds to retain the services of highly-paid medical officers, I beg to ask that Government will be pleased to order the Surgeon-General to select medical officers of the classes referred to above. As Mr. S. E. Carapett, Senior Assistant Surgeon, Gooty, is about to retire, the board takes this opportunity of requesting the Government to post a first-class hospital assistant or a civil apothecary to the Munro hospital as resolved by the district board in their resolution, No. 1, dated 19th December 1896. Copy of which is herewith submitted.

41. *Clerks and Servants.*—Rs. 2,160 are entered under this head against Rupees 2,270. The abolition of nurses attached to the Penukonda (Rs. 5) and Hindúpur (Rs. 4) hospitals for want of funds accounts for the decrease.

42. *Medicines and Surgical Instruments.*—Rs. 2,340 are provided against Rupees 2,090 budgeted for in the current year. The increase is due to the sale of medicines in the Penukonda hospital and the increased allotment made for other dispensaries under the Penukonka taluk Board to meet the difference of exchange of Messrs. Burgoyne, Burbidges & Co. bills.

43. *Midwives.*—Rs. 540 are provided against Rs. 900 in the budget for 1896–97. The abolition of the posts in the hospitals of Hindúpur and Dharmavaram explains the decrease.

44. *House-rent to Hospital Assistants.*—Rupees 410 against Rs. 280, the current year's estimate, is provided under this item. Provision made for payment of rent to the hospital assistants of Dharmavaram, Bukkapatnam and Kalyandrug contribute to the increase.

No provision has been made for constructing quarters to any of the hospital assistants in the district for want of funds.

45. *Vaccination.*—The current year's provision of Rs. 6,450 is repeated under this head. The vaccination staff is as detailed below :—

	Rs.

46. *Sanitation.*—Rs. 14,840 are provided against the budget estimate of Rupees 14,540. The net increase of Rs. 300 is explained below:—

		Rs.
(1)	Excess provision made under water-supply by the Penukonda and Anantapur taluk Boards	+ 620
(2)	Decrease under village site	— 100
(3)	Provision has not been made for two sweepers and for the itinerating gang consisting of three sweepers under the Anantapur taluk Board for want of hands to take up the posts.	— 348
(4)	Non-engagement of a cart for rubbish on Rs. 12 per month and a sweeper on Rs. 5 in Dharmavaram union	— 204
(5)	Entertainment of an additional sweeper in the Pamidi Union on Rs. 4 per month	+ 48
(6)	Increased provision made under fairs and festivals by the Penukonda taluk Board	+ 10
(7)	Increase of Rs. 270 provided by the Penukonda, Anantapur and Gooty taluk Boards under other sanitary outlay	+ 270

No sanitary work of any importance is proposed by the taluk boards. Under scavenging establishment there are two classes of servants, viz., sweepers and toties. The former are employed in removing the ordinary rubbish in the village site and the latter in cleaning the public latrines.

47. *Provincial Contribution.*—The decrease of Rs. 330 under this head is based on the actuals of the year 1894–95.

48. *Contribution to the Municipality.*—An increase of Rs. 60 is provided under this head owing to the increase in in and out patients in the municipal hospital, Anantapur.

49. *Grant 4, Public Choultries.*—An increased provision of Rs. 10 has been made by the Penukonda taluk Board to meet the pay of the sweeper employed in the Hindúpur chattram.

50. The net decrease of Rs. 900 under "miscellaneous" is due to the discontinuance of lighting charges by the Penukonda taluk Board for want of funds and with reference to the remarks of Government in paragraph 4 (6) of G.O., No. 1943, dated 18th October 1895.

51. *Grant 5, Supervision and Management.*—The net increase of Rs. 80 is due to the following:—

		Rs.
(1)	Excess provision made for the controlling establishment with reference to the actuals of 1894–95	+ 260
(2)	Excess provision made for the travelling allowance, &c., of the Audit clerk	+ 140
(3)	Increase of Rs. 120 under local board's establishment represents the following	+ 120
	(i) Increase of Re. 1 to the bill collector, Gooty Union, from Rs. 6 to Rs. 7 .. .. .. + Rs. 12	
	(ii) The services of the sweeper of the Yadiki Union dispensed with .. .. — 6	

		Rs.
	(iii) Increase in the pay of the union clerk, Hindúpur from Rs. 12 to Rs. 15 .. .. .. +	36
	(iv) Additional bill collector to the Hindúpur Union on Rs. 5 per month .. .. +	60
	(v) Temporary bill collector for the Kalyandrug Union for two months in the year .. .. +	10

		Rs.
(4)	Decrease under contingencies and travelling allowance to non-official members	— 410
(5)	Increase under pensions	+ 20
(6)	Decrease under law charges	— 40
(7)	Decrease under miscellaneous (bonus to Provident fund)	— 10

52. *Balance.*—The year is expected to close with a deficit balance of Rs. 39,840 which is distributed as follows:—

	Rs.
Union	630
Endowment	440
General	— 40,910
	— 39,840

53. The delay in the submission of the budget is due to the receipt of the figures from the Revenue department so late as on the 29th October 1896 instead of in the first week of September as required by the rules.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 26th January 1897, No. 40.

With reference to Grant 3 of the budget estimate of the District Board, Anantapur, for the year 1897–98, I have the honour to state that the pay provided for the hospital assistant attached to the dispensary at Uravakonda should be increased from Rs. 493 to Rs. 654, as he will complete fourteen years' service on the 30th June 1897 and be entitled to higher rate of pay with effect from that date.

2. The proposal of the board to replace the second-class hospital assistants attached to the dispensaries at Bukkapatnam and Madakasíra by third-class men is contrary to paragraph 5 of G.O., No. 527, Public, dated the 25th June 1895.

3. As regards the provision for a first-class hospital assistant or a junior civil apothecary for the Munro hospital at Gooty, I would point out that this appointment is reserved for a Military Assistant Surgeon as will be seen from my letter, No. 541, dated the 13th October 1894, addressed to Government in the Public Department.

4. The other items call for no remarks.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 2nd February 1897, No. 926.

I have the honour to submit the following remarks on the educational portion of the budget estimate of the Anantapur District Board for 1897–98.

2. *Receipts.*—Credit is taken for an increased grant of Rs. 270 from Provincial funds. This may be allowed to stand, though no explanation of the increase is given in the President's covering letter.

3. *Charges.*—(i) I regret to observe that no provision at all is made for the holding of sessional schools in the district under the plea of want of funds. As more than half the teachers in the aided primary schools are unpassed men, as remarked by

Government in paragraph 4 (2) of G.O., No. 1666 L., dated 16th September 1896, I would strongly recommend that the current year's allotment be repeated under this head.

(ii) The board has proposed to abolish as many as thirteen salary-result schools, and has consequently made large reductions in the allotments under the several heads under elementary salary-result schools. A large number of private schools are likely to seek aid under the results system owing to the closure of board schools, and the allotment under result grants should, therefore, be increased to Rs. 4,500 at least, the actuals of 1895–96 amounting to Rs. 5,230.

4. With the modifications recommended above, the net expenditure under Grant 2 will be Rs. 17,020 (23,960—6,940), which is about 19 per cent. of the estimated income from land-cess.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Camp, Gazallapalli, 9th February 1897, No. 355-S.

Referring to the budget estimate of the Anantapur District Board for 1897–98, I have the honour to state that the provision therein made for vaccination, being a repetition of the current year's figure, calls for no remark. The allotment for sanitation is 17 per cent. of the estimated receipts.

2. No extract from statement III has been furnished. I am therefore unable to say whether the execution of any sanitary works under Grant 1 is in prospect.

ORDER—No. 698 L., dated 8th April 1897.

REVISED ESTIMATE FOR 1896–97.

2. The receipts and charges are now estimated at Rs. 87,970 and Rs. 1,40,970, respectively, against Rs. 1,24,170 and Rs. 1,40,180 anticipated in the sanctioned budget, the decrease in the receipts occurring chiefly under land cess. The authority under which the hamlets attached to the Bukkapatnam union were hitherto exempted from payment of house-tax should be reported. With reference to article 1373 of the Civil

Account Code and paragraph 7 of G.O., No. 133, Financial, dated 8th February 1897, communicated with G.O., No. 352 L., dated 18th February 1897, credit will be taken for a grant of Rs. 46,120 from Provincial funds to avoid the deficit with which the year would otherwise close, and to provide a full working balance of 5 per cent. of the receipts for the official year 1897–98; and, with reference to paragraph 6 (*a*) of the Government order quoted, the allotment for New works—Communications will be raised by Rs. 2,160, being the expenditure incurred on famine relief works up to the date of their transfer to the Public Works Department. It is presumed that plans and estimates for the construction of a slaughter-house at Hindupur have been sanctioned by competent authority. If the work has not been already undertaken, it should now be postponed, as funds are not available. The abolition of the establishment of the school at Amalladinna, the increase from Rs. 7 to Rs. 10 in the pay of the gymnastic instructor of the lower secondary school at Penukonda and the entertainment of a sweeper on Re. 1 for the chattram at Hindupur, referred to in paragraphs 17, 34 and 49 of the President's letter, are sanctioned. With reference to paragraph 1 of G.O., No. 2391 L., dated 17th December 1896, the provision for controlling establishments at the Presidency will be raised from Rs. 700 to Rs. 870. The balance to be carried forward to the budget for 1897–98 will then be Rs. 3,340 under the district fund and Rs. 4,210 under taluk funds.

Budget Estimate for 1897–98.

3. *Receipts.*—The receipts are placed at Rs. 1,23,970 against Rs. 87,970 in the revised estimate, the increase occurring chiefly under land-cess. The omission pointed out by the Director of Public Instruction in paragraph 2 of his letter read above should not be allowed to recur. Notwithstanding the remarks of Government in paragraph 3 of G.O., No. 418 L., dated 3rd March 1896, no steps appear to have been taken to reduce the large contributions which the unions of Gooty, Uravakonda and Pamidi are receiving from taluk funds. This is not satisfactory. Proposals should be submitted for raising to the maximum the rate at which house-tax is levied in these as well as in the other unions in the district.

4. *Charges.*—(1) The probable charges are put down at Rs. 1,27,570 against Rs. 1,43,300 in the revised estimate, the decrease occurring mainly under Grants 1—3.

(2) *Grant 1.*—It is to be regretted that, for want of funds, the allotment for communications falls short of the minimum prescribed in G.O., No. 1686 L., dated 14th September 1895, by 28 per cent. For the same reason the provision made for constructing school-sheds and markets, referred to in paragraphs 25 and 26, will be struck out. The abolition of the post of the sub-overseer on Rs. 30 and of a lascar on Rs. 6, proposed in paragraph 30, is approved. The proportion of the cost of local fund engineering establishment to the estimated outlay on works to be executed by that agency is still high, being 27 per cent.

(3) *Grant 2.*—The alterations in the educational establishments, referred to in paragraphs 33 and 36, are sanctioned; but, for want of funds, the entertainment of a colporteur, proposed in paragraph 38, and the recommendations of the Director of Public Instruction in paragraph 3 of his letter, cannot be approved.

(4) *Grant 3.*—The provision made for the salary of the hospital assistant attached to the dispensary at Uravakonda will be raised from Rs. 493 to Rs. 654, as advised by the Surgeon-General in paragraph 1 of his letter read above; and, with reference to his remarks in paragraphs 2 and 3, the proposals of the local boards to replace the second-class hospital assistants attached to the dispensaries at Bukkapatnam and Madakasíra by third-class men, and the Military Assistant Surgeon at the Munro hospital, Gooty, by a first-class hospital assistant or civil apothecary cannot, for the present, be approved. The alterations in the medical and sanitary establishments proposed in paragraphs 41, 43 and 46 are sanctioned. For want of funds, however, the provision under scavenging establishments will be reduced from Rs. 10,110 to Rs. 9,270, the actuals for 1895–96. It is not desirable to employ sweepers for the removal of ordinary rubbish

in village sites; they should, if necessary, be replaced by toties who can remove fœcal matter, or their services should be dispensed with. The omission referred to in paragraph 2 of the Sanitary Commissioner's letter should not be allowed to recur.

(5) *Grant 5.*—With reference to paragraph 1 of G.O., No. 2391 L., dated 7th December 1896, the provision for controlling establishments at the Presidency will be raised from Rs. 960 to Rs. 1,290. The necessity for increasing the salaries of the bill collector of the Gooty union and of the clerk of the Hindupur union referred to in paragraph 51 should be explained.

5. *Balance.*—The budget as revised by Government closes with a balance of Rs. 4,960, of which Rs. 1,450 appertain to unions and Rs. 2,680 to endowments, leaving Rs. 830 or only ·8 per cent. of the receipts available for general purposes. The deficits with which some of the markets are expected to close the year should be made good by loans or contributions from general or market funds.
