ABSTRACT.—Submitting returns of sanctions accorded under article 1093 of the Civil Service Regulations since the receipt of G.O., No. 320, Financial, dated 8th May 1896.

From W. H. MICHAEL, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 22nd April 1897, No. 1272.

With reference to memorandum, No. 618, Financial Department, dated the 11th of March 1897, forwarding, for my remarks, the statements submitted by the several heads of departments under Madras G.O., No. 320, Financial, dated 8th May 1896, regarding the cost of conveyance of tents and horses sanctioned by them under article 1093 of the Civil Service Regulations, I have the honour to state that the statements do not in most instances afford sufficient information as to the necessity or urgency in taking horses or camp equipment by rail or steamer at Government expense. I would, therefore, suggest that officers claiming the concession under article 1093, Civil Service Regulations, may be asked to send in their application in the form suggested (attached herewith), which, I trust, will give sufficient information to enable the heads of departments to scrutinize each claim with reference to the Government of India Resolution recorded in Madras G.O., No. 320, Financial, dated 8th May 1896, before according sanction thereto.

2. All such sanctions may be compiled in the same form for submission to Government at the end of each year. The remarks column 18 of the statement should give the circumstances of each case under which an officer was required to send his horses or camp equipment by the quickest means of conveyances as has been done in the cases of tour in the return submitted by the Board of Revenue (Land Revenue), paragraph 2. Applying the test in the sample form the cases of the undermentioned officers do not appear to comply with the provisions of the Government of India ruling above mentioned :—

Return from the Board of Revenue (Land Revenue).

Items Nos. 2, 6, 11, 22, 30, 32 *to* 35 *and* 38.—In these cases the Board have stated that the officers concerned had to arrive at their new stations ready equipped for duty. From columns 15, 16 and 17 of the sample form it would appear that if the camp equipment or horses had been sent by the road they would have arrived at the new station long before the officer started on tour.

Items 47 *and* 48.—In their Proceedings, No. 291, dated 30th July 1896, the Board of Revenue have ruled that no officer should take a horse with him when deputed for training in survey, and it is not understood why in these two cases the Board of Revenue in their Proceedings, Mis. No. 4547, dated 5th October 1896, and Mis. No. 5320, dated 30th November 1896, allowed the concession.

Return from the Board of Revenue (Separate Revenue).

Item No. 2.—In this case, if the horses had been sent by road they would have arrived long before the officer started on tour.

Items Nos. 6, 7 *and* 15.—In these cases the officers were transferred to a very distant place, and no information is forthcoming as to whether the interests of the public service would have suffered if the officer had sold and replaced the horses.

Return from the Board of Revenue (Revenue Settlement,) Land Records and Agriculture).

No reason has been assigned as to why the tents were not taken by road at the officer's expense.

Return from the Board of Revenue (Forest).

No details are given showing the urgency in cases of transfer or of tour.

Return from the Inspector-General of Police.

The details of the circumstances should have been given to enable Government to see whether the Government of India Resolution has been correctly applied.

Order—No. 435, Financial, dated 2nd June 1897.

In his letter printed above the Accountant-General points out that the returns of sanctions under article 1093 of the Civil Service Regulations do not, as a rule, afford sufficient information as to the necessity or urgency of taking horses or camp equipment by rail or steamer and suggests that officers claiming concessions under that article should submit their applications in the form appended to his letter. His Excellency the Governor in Council approves of this proposal.

2. The Board of Revenue, the Inspector-General of Police, and the Superintendent, Madras Survey, will be requested to resubmit to Government, through the Accountant-General, the returns for 1896 in the form now prescribed with any remarks they may desire to offer.

3. It would simplify matters and ensure a greater check if, instead of the annual return prescribed in paragraph 2 of G.O., No. 320, Financial, dated 8th May 1896, heads of departments to whom the power of special sanction under article 1093 of the Civil Service Regulations has been delegated were to furnish the Accountant-General, at the time of sanction, with particulars regarding each sanction accorded in the form appended to the Accountant-General's letter read above. He would then submit, for the orders of Government, any case in which he considered the sanction of doubtful propriety. This course will be followed in future.

4. Orders similar to those in paragraphs 1 and 3 *supra* will issue in the Public Works Department.

5. The Board of Revenue, the Superintendent, Madras Survey, and the Inspector-General of Police will, in resubmitting the returns for 1896, include the sanctions accorded in 1897 up to the date of the receipt of this order.

6. In furnishing returns of sanctions and applications for sanction under article 1093 of the Civil Service Regulations, heads of departments and officers should clearly specify the "special emergencies" which may necessitate a departure from the 30 miles limit as regards the carriage of horses which has been laid down in the concluding portion of paragraph 3 of G.O., No. 272, Financial, dated 26th March 1897.

7. The attention of the Board of Revenue (Land Revenue) will be specially drawn to the Accountant-General's remarks regarding items 47 and 48 in its first return.

FOR ORDERS.

B K

The first five of the above currents are the returns of sanctions under § 1093 of the C. S. R which were prescribed in para 2 of G. O. No. 320 Finl: of 8th May 1896. The returns were referred to the A.G. for remarks in Memo No. 618 of 11 3 97. C. No. 1296 is his reply.

M

2. The A.G. points out that the statements do not as a rule afford sufficient information as to the necessity or urgency of taking horses or camp equipment by rail or steamer and suggests that officers claiming concessions under § 1093 should submit their applications in the form appended to his letter and that the annual returns of sanctions ~~as~~ submitted to Govt. under the order quoted in para 1 supra should be compiled in the same form. This

proposal may, it is submitted, be approved, ~~offic~~, heads of depts & officers being at the same time instructed to clearly specify the "special emergencies" which may necessitate a departure from the 30 miles limit as regards ~~an~~ the carriage of horses by rail or steamer laid down in the last part of para 3 of G.O. They seem to be further barred by the ruling in para 1 of the G. of I. Resolution No. 1603-Ex, d/ 10th April 1896 that "it is only .. "sold and replaced them [his horses "or camp equipment], instead of "despatching them by the quickest "means at his command, that "the cost of their conveyance by "rail or steamer should be sanctioned" Orders are solicited as to the action ~~of~~ to be taken as regards these cases. They were sanctioned by competent authority and it w., it is submitted, be somewhat hard on the officers concerned to make them refund at this distant date.

The Board might be asked to explain.

5. In the return from the Board of Revenue (Separate Revenue), the A.G. draws attention to the following cases:-

(i) No. 2. Mr. Forster on transfer from Madras to Trichinopoly + Calicut to Madras. Here had the horses been sent by road they would have arrived long before the officer started on tour. This case is set out (the first) in the A.G.'s tabular statement (flagged M) and seems to be on a par with those mentioned in para 3 *supra*.

(ii) Three cases, No. 6, 7 + 15, in which officers were transferred to very distant places and in which information is not afforded as to whether the public interests would have suffered if the officers had sold and replaced the horses.

It will be seen from the Board (Land Revenue) return that the checking extends to some

50 items. The system now proposed would enable Govt. to revoke improper sanctions by heads of depts. to whom the power has been delegated; there are difficulties in ^the way of^ doing this nine or ten months after an officer has drawn money sanctioned by competent authority. The present annual return was instituted in consequence of the observations of the G. of I. in para 2 of its resolution on page 1 of G.O. No. 320 Fin'l d/ 8. 5. 96, **B** but it is submitted that the plan proposed above would ensure the check contemplated by the Govt. of India being exercised more strictly than an annual return with so many items can.

Sanctions under Art: 1093. C.S.R.

Public Works Department.

Note by the Secretary, P. W. D. on draft order in the Financial Dept.

Subject. Sanction to the conveyance of horses and camp equipment by rail.

It appears to me that work will be needlessly increased by the introduction of this order and it is doubtful whether the cost of preparing the elaborate statement of the Accountant General will not exceed the amount of incorrect sanctions that may accidentally be given by the Heads of Departments.

Heads of Departments are I consider the best judges of when it is necessary for an officer to take his horses and camp equipment by train, but apparently this is not considered to be the case and it is proposed that each sanction should be at once communicated either to the Accountant General or Examiner, P. W. Accounts. This seems to me to mean work being done twice over. The Head of the Department has to go over the papers and give sanction or otherwise and then refer the papers to the Accounts ~~accounts~~ Branch which has again to go over the papers; and in these circumstances

Flag D

The Head of the Dept. is of course the only possible sanctioning officer. The difficulty is to make Heads of Depts. discharge this duty in accordance with the rules laid down by India & not always to be trying to slip round them — It is, therefore, that the procedure ~~is~~ now determined on is necessary. There is no other way that I can see of putting a stop to the way — the discreditable way, I will say — in which officers of all grades now try to plunder Govt. under any excuse. Nothing of the kind w'd. have been tolerated for a moment in my young days

circumstances it appears to me that it would be better if the papers went at once to the Accounts Branch to be dealt with.

Reply

With reference to the argument in regard to the elaborate statement of the Acct. Genl., it is considered that so long as a return is prescribed by Govt. and this seems necessary with reference to the observations of the Govt. of India in its resolution recorded in G.O.No. 320 Finl., d/ 8th May 1896 some statement is necessary and that suggested by the Acct. Genl. appears to meet the necessities of the case. The remarks in para 2 of the above note appear to have been written under a misapprehension, for it is not intended that Heads of depts. should refer papers to the Account officer. Heads of depts. will receive applications in the Acct. Genl's form and, in sanctioning claims under article 1093, will send him a copy of that form. It does not appear desirable to make the Account Officer the sanctioning authority, as appears to be suggested above. To save work in controlling offices, applications might be submitted in duplicate in the Acct. Genl's form and the necessary addition will be made to the G.O. If the Secy. P.W.D. still considers that the order requires modification, the

By submitting applications in duplicate work might be saved in Controlling offices, but it would be increased in others. Therefore, I consider that no modification is necessary as far as that point is concerned.

O R D E R No. 435 d 2d June '97

In his letter printed above, the Acct. Genl. points out that the returns of sanctions under article 1093 of the C.S.R. ~~which were prescribed in para~~ ~~8 of G.O.No.320 Finl., d/ 8th May 1896~~,

do

do not, as a rule, afford sufficient information as to the necessity or urgency of taking horses or camp equipment by rail or steamer and suggests that officers claiming concessions under that article ~~[illegible]~~ should submit their applications in the form appended to his letter. H.E. the Governor in Council approves of this proposal ~~and~~ 2/ New para The Board of Rev:, the I.G. of Police and the Supt., Madras Survey, will be requested to resubmit to Govt., through the Acct. Genl, the returns for 1896 in the form now prescribed with any remarks they may desire to offer.

3. ~~H.E. considers that~~ Cu... ~~it~~ It would simplify matters and ensure a greater check if, instead of the annual return, prescribed in para 2 of G.O.No.320 Finl., d/ 8th May 1896, ~~the~~ heads of depts. to ~~which~~ whom the power of special sanction under article 1093 of the C.S.R. has been delegated were to furnish the Acct. Genl. with particulars regarding each sanction accorded, in the form appended to the Acct. Genl's letter read above, at the time of sanction. ~~The Acct. Genl~~ He would then submit for the orders of Govt. any case in which he considered the sanction of doubtful propriety. This course will be followed in future.

4. Orders similar to those in ~~the preceding~~ paras 1 & 3 supra ~~Similar orders~~ will issue in the P.W.D.

5. The Board of Rev:, the Supt, ~~of~~ Madras Survey and the I.G. of Police will ~~therefore~~, in ~~ow~~ resubmitting the returns for 1896, include the sanctions accorded

accorded in 1897 up to the date of the receipt of this order.

6. In ~~submitting~~ furnishing returns of sanctions and applications for sanction under article 1093 of the C.S.R., heads of depts. and officers should clearly specify the "special emergencies" which may necessitate a departure from the 30 miles limit as regards the carriage of horses ~~[illegible]~~ Cu.S. which has been laid down in the concluding portion of para 3 of G.O.No.272 Finl., d/ 26th March 1897.

7. The attention of the Board of Rev. (Land Rev.) will be specially drawn to the Acct. Genl's remarks regarding items 47 and 48 in its first return.
