I don't see the use of making
this special report to India. The
No. 18. tells them in its weekly
letter how much has already
been advanced up to the week
we so that they know quite well
what is going on, or may do so if
they read the letters addressed to
them. If we make this report, we may
be completely non-plussed by
it & stop all loans at once, which
would put us in a very bad position.
With reference to the interest on
loans of India, I think of 2 lakhs
which Districts had better be
struck out: (vide letter
of 10. 2. 19)
30-3-97) 25.5.97

I think we had better
keep silence, but the H.
should be told not to give
any loans in any non-
distressed districts, except
Madras, so & which
