Resolution.

He adds that the machine will be required in the Forest Settlement Office for at least three years to come and that it may thereafter be transferred either to the Malabar or South Canara Collectorate. The Collectors of these Districts have no objection to the projected transfer.

The Board considers that the supply of a type-writing machine to the Forest Settlement Officer is desirable. It will facilitate work in all Offices concerned if the draft notifications under section 16 of the Forest Act proposed reserves accordingly requests that the
