G.O., No. 434, Financial, dated 1st June 1897.

ABSTRACT.—Requesting the Accountant-General to place Rs. 30,000 at the disposal of the Collector of Anantapur for famine-relief purposes.

READ—also the following paper:—

From R. H. SHIPLEY, Esq., Acting Collector of Anantapur, to the Secretary to Government, Revenue Department, dated 22nd May 1897, R. C. No. 1710.

With reference to the Government telegram, dated the 21st instant, I have the honour to state that, as noted in the accompanying statement, several road and irrigation works in the district were or are being started by the Local Fund or Revenue agency since the Public Works Department is short-handed and unable to depute the required staff of overseers for all the sanctioned works in the district. The expenditure on these works, until the Public Works Department takes over charge, will have to remain on the civil books, and hence the allotments were applied for. As I expect that all the road works will be taken over by the Public Works Department by June next, only one month's expenditure has been estimated against "Communications" as worked out in the statement with regard to the irrigation works; since most of the works included in the programme are minor works and likely to be started and executed by minor irrigation overseers, until the Public Works staff becomes available, funds will have to be mainly provided by the Revenue Department. The total estimates of the works already started for famine-relief works amount to Rs. 10,800, and the balance was intended to meet the expenditure on other works which might be found necessary before the close of famine.

2. On receipt of Government telegram, dated 10th instant, directing me to apply for specific allotments required, I have applied through the Board for a reduced grant of Rs. 20,000 under this head ("Relief works in charge of Civil Officers"), as that is the sum actually required for works already put in hand as detailed below:—

Rs. 10,000 for Communication. | Rs. 10,000 for Irrigation.

I request that sanction may be accorded.

3. In addition to the above, I request that sanction may also be given for a sum of Rs. 20,000 recommended by the Board against "Gratuitous Relief" (*vide* Board's Proceedings, No. 258, dated 29th March 1897), as village relief has been started and funds already placed at the disposal of the Tahsildars in anticipation of sanction.

READ—the following papers :—

Telegram from the Collector of Anantapur, dated 6th May 1897.

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 22nd May 1897, Mis. No. 3638.

Read—the following letter from the Collector of Anantapur, dated 16th May 1897, Ref. No. 1710 :—

With reference to Government telegram, dated 10th instant, approving famine estimates of relief charges submitted with Board's Proceedings, No. 258, dated 29th March 1897, and directing that specific allotments should be applied for, I have the honour to request that sanction of Government may be urgently obtained for a sum of Rs. 20,000 for relief works in charge of civil officers, as, at present, owing to the paucity of the Public Works Department overseers, several works are being started by the Local Fund and Revenue agency. This sum may be sanctioned out of the supplemental allotments applied for in this office letter, R.C. No. 1710, dated 20th April 1897. The works will be handed over to the Public Works Department in due course. I request also sanction for a sum of Rs. 10,000 provided for against "Miscellaneous Public Improvements", as the grant of Rs. 3,000 already made for the improvement of water-supply is inadequate. I shall apply for further allotments as necessity arises.

Resolution—dated 22nd May 1897, Mis. No. 3638.

Submitted to Government with the request that a sum of Rs. 30,000 may be placed at the disposal of the Collector as requested. The Collector's letter, R.C. No. 1710, dated 20th April 1897, was submitted to Government with Board's Proceedings, No. 3244 of 8th May 1897.
