Resolution.

With reference to para 4 of Government of
Madras Resolution No. 998 P dated 2nd March 1896 ^{Rs 160} ^{Fail}
communicated with Government order No. 1422
Revenue dated 9th April 1896 the
Board begs to request that Government
will be pleased to authorize the Accountant
General, Madras, to investigate the claim
of acting Sub Inspector, J. Venkatasami of
the Anantapur circle to arrears of pay
for February 1895 amounting to Rs 18.3.5
which have been left undrawn up to date
under the circumstances detailed below:-
Venkatasami who was a permanent 1st grade
Jemadar of the Cuddapah circle, was transferred
to the Anantapur circle as acting Sub Inspector
in

in February 1895. He was relieved in the
former circle on the afternoon of the 12th of
that month and he joined the latter circle
on the afternoon of the 22nd idem. He continued
to act as Sub Inspector till the 4th of the following
month when he reverted to his permanent
post of 1st grade Jemadar, Cuddapah. His pay
for February 1895 should have been drawn
in March 1895 in the Anantapur circle.
This was not done the reason being that the
Inspector, Cuddapah circle, did not furnish
a Last Pay Certificate till the 14th September
1895. There was then some correspondence
between the two circle officers regarding the
joining time taken by the Acting Sub Inspector,
which caused further delay in the matter.
In December 1895 the Deputy Commissioner,
Central Division submitted a Supplemental
bill for the arrears of pay due to Venkatasami

and requested the Board to obtain the Accountant General's sanction for its encashment as the bill was more than 6 months old at that time. The Board, therefore, made a reference to the Deputy Commissioner on the 21st December 1895 calling for an explanation of certain discrepancies noticed in the bill and for the submission of a revised bill if necessary. Three reminders were sent to the Deputy Commissioner and in response to the third he stated in May 1896 that the information which had up to that time been furnished to him was incomplete and that a full report which had been called for would be furnished to the Board on receipt. In the letter read above the Deputy Commissioner explains the discrepancies pointed out by the Board and states that the delay is due to A. Ramasami Sastri his late head clerk whom

whom he recently reduced to a sub-spectator's post. He, therefore, recommends that the amount may be recovered from that individual

2. The Deputy Commissioner, Central Division will be requested to obtain and submit the explanation of the officer in charge of the Cuddapah circle who was responsible for the delay of nearly 6 months in furnishing the last pay certificate and also of ^{his} ~~the~~ late Head Clerk. The Board will then decide from whom the amount due should be recovered and what further punishment should be inflicted on the officers responsible for the scandalous delay which has taken place.
