CURRENT No. 1454

OFFICE OF SANITARY COMMISSIONER,  
Fort St. George, 7<sup>th</sup> May 1897.

No. 1003  
S

From

SURGEON-LIEUT.-COL. W. G. KING, M.B., C.M., D.P.H.,

SANITARY COMMISSIONER FOR MADRAS,

To

The

Chief Secretary to Government,

Financial Department.

Enclosure.

Sir,

I have the honour to report for the information of Government that in submitting the Contingent bill of this Office for April 1897 I included in it a charge of Rs. 12/- being the amount paid by me to the Postal Department for securing a window delivery ticket for 1897. This claim the Accountant-General disallowed on the ground that by G.O's No 3704 and 1558, Revenue, dated 10th September and 12th December 1883 respectively no Office other than that subject to the control of the Board of Revenue is entitled to this concession.

*Under II (b)  
Contingencies  
as per order of  
detailed audit*

2. I may state that the practice of paying for window delivery tickets has been in vogue since 1887 when a clerk had to be dismissed for meddling with tappal left in the Office by the post peon.

3. I request that in the circumstances you will be pleased to authorise the Accountant-General to admit the charge in future.

I have the honour to be,

Sir,

Your Most Obedient Servant,

*W. G. King*

Surgeon Lieut Colonel,  
Sanitary Commissioner for

Madras.

delivery of the <sup>letter</sup>, at the Post Office  
can be obtained, at the cost of postage

this ticket is an Imperial  
luxury, which public officers  
in this Presidency cannot  
well afford, that heads  
of departments should

make proper arrangements  
for the safe custody of  
their tappals, and that  
there is no reason why  
only some offices and  
not all should be supplied. -  
There would seem to be

The advantages of a window delivery  
ticket are set out in the letter from  
the Commr. of Salt Res. printed on page  
1 of S.O. No. 1558 Rev. of 12. Decr. 1883. N.

The charge is a small one & may, it  
is thought, be admitted.

C. No. 1454.

ORDER W. 498 d/28 June 97  
Mis.

As the charge for a window deli-  
very ticket for 1897 has already been  
paid by the Sanitary Commissioner the  
Accountant General will be authorised to  
admit the amount. The expenditure must  
however cease at the expiration of the  
current year. The Sanitary Commissioner  
should be able to ~~arrange~~ for  
the receipt of his tappal in the ordinary  
course without incurring any risk of its  
being tampered with, as ~~this~~ is done in other  
larger offices.

2. The Accountant <sup>General</sup> will be request-  
ed to furnish the Board of Revenue with a  
complete list of officers authorised by  
it to incur window-delivery ticket charges.  
This list the Board will be desired to  
scrutinize in view to ensuring that  
absolute necessity for the charge exists  
in each case.

3. The Accountant General will <sup>also</sup> be  
so good as to report whether there are  
any other cases such as the Sanitary Com-  
missioner's.
