The Conservators of Forests, Northern and Central Circles, are requested to submit at a very early date the revised budget estimate and

the revised districtwar numerical statement called for in B.P. F. No. 236 Dns, dated 10th March 1897.

Read letter from the Conservator of Forests, Central Circle, dated 1st May 1897, No. 1609, forwarding to the Board, Revised Budget Estimate for 1897-98 under B. Establishments with a revised districtwar numerical statement of the sanctioned establishment of the Central Circle.

Read letter from the Conservator of Forests, Northern Circle, dated 12th May 1897, R.C. No. 2177, submitting to the Board Revised Budget Estimate of his Circle under B. Establishments for 1897-98 and the districtwar numerical strength of the sanctioned establishment.

Resolution:

The Board resolves to submit to Government through the Accountant General a revised budget estimate for 1897-98 under II. B. Forests Establishments consequent upon the reorganisation scheme of the subordinate executive and protective staff recently sanctioned by the Government of India.

As stated in para. 4 of Board's Proceedings Forest No. 342 Dns, dated 13th April 1897, no provision was made on account of the pay and travelling

travelling allowance of the increased establishments in the budget estimate already sanctioned. The Accountant General was authorised in G.O. No. 81, Revenue, dated 9th February 1897 (para. 3) to add the necessary provision for the current year in his budget notes and the final issues of the Civil estimates. But in the absence of the requisite data, he asked the Board for a revised budget estimate and also for a revised classification of the contingent expenditure under the detailed heads specified in Board's Proceedings F. No. 75, dated the 20th February 1897. This necessitated a reference to the Conservators. The reply from the Conservator, Northern Circle, has only just reached the Board.

3. The revised budget estimate now submitted provides for an increased expenditure of Rs 71,900 over the estimate already sanctioned under the following heads:-

(1) Pay of Subordinate Establishment...	Rs 56,500.
(2) Travelling allowance of — do — ...	11,600
(3) Contingencies	3,800
	<u>71,900.</u>

The scale of subordinate establishments for which provision is made in the estimate is within the maximum scale for 1897-98 approved in B.P. F. No. 133, dated the 26th March 1897. Towards the excess expenditure estimated for under item (1) above, a sum of Rupees 4,900 being the cost of the temporary
