Letter

The Secretary to the Government of India,

Finance and Commerce Department.

189 .

Sir,

I am directed to request the orders of the Government of India as to whether a Article 1191 (a) C.S.R. covers the case of a lightkeeper in this Presidency who, before joining his appointment at a distance, receives a technical training under skilled supervision at Madras. The Accountant General, to whom the question has been referred, states that it has been the practice of his Office to apply the a Article in question only in cases where the special training has been in "a recognised institution", and ~~has~~ embraced "a ~~recognised~~ definite curriculum", and that the note to the a Article supports this limitation.

2. It may, however, be pointed out that the cases coming under (b), (c), (d) and (e) give a wider scope to the rule than the Accountant General is disposed

42—600—8-11-95.

disposed to allow.

3. The case which has given rise to this reference is that one E. Fransz who has been appointed Head Light Keeper of the Sacramento Light house after acting as a Light Keeper in the Madras Light house where he received the requisite technical training to fit him for independent charge of a light. A charge of Rs. 11 has been incurred for a steamer passage from Madras, which the Accountant general has disallowed.

4. I am to add that the question is likely to attain some prominence in the future as the scheme for a better class of Light Keeper which the Madras Government has had under consideration for some time contemplates the regular training of men before they are put in charge of important lights; and as no "recognised institutions" with a definite curriculum" are in existence, the requisite technical training must be given by other means.

I have &c.
