Mr. ACCOUNTANT-GENERAL TO THE

To

GOVERNMENT OF MADRAS,

THE

Chief Secretary to Government,  
Financial Department.

SIR,

A Printed  
and signed

With reference to Government  
Order No 466, dated the 10<sup>th</sup> of June 1897,  
in which, while agreeing with the  
Collector of Bellary and the Board of  
Revenue as to the expediency of devoting  
public funds to the improvement of  
drinking-water sources in the Bellary  
District Government remarks that the  
expenditure should be debited to 33  
Famine Relief instead of being met  
from Surplus Land Funds as proposed

I

I have the honour to state that the work of improving drinking water sources appears to fall within the class defined in paragraph 5-I of the Government of India Resolution No 5299A, dated 16 December 1896, and that the expenditure on this account should therefore in my opinion be classified in the accounts under '45 Civil Works. Miscellaneous. Public Improvements'. Further, the expenditure not having been budgeted for, the usual procedure required in regard to transfer of allotments should be followed in this case.

2. With regard to the proposal of the Board of Revenue to utilize towards this expenditure the Surplus Pound Funds assigned to Agricultural Services

Services, I would observe that receipts under the Cattle Trespass Act are credited as part of general revenues under the head Police and that our account system has no cognizance of any balance or fund in connection with these receipts.

P The calculations made in accordance with Government Order Revenue No 827, dated 1 June 1878, and Financial No 1346, dated 28 December 1887, are purely of an administrative nature.

I have the honour to be  
Sir,  
Your most obedt. Servant,

Offy. Accountant General.
