6. Read Accountant-General's letter No 1761
dated 11th June 1897 requesting to pay up
the interest off the loan paid by Government
till the date the loan is refunded.

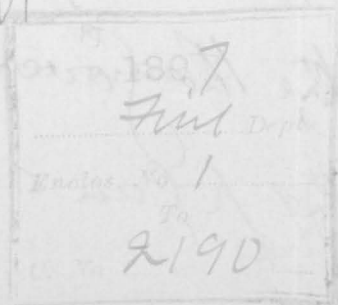

Resolution:— The Council respectfully

requests that the Government may be-
pleased to order refund of the interest
already paid and to remit the interest
still due on the loan as the transaction
was only a paper transaction and the
Municipality did not profit thereby
and as there will be a heavy fall
in the income under tax on arts owing
to the introduction of the Madras District
Municipalities Act Amendment Act
III of 1897.

Sir,

Adverting to G.O. No. 1167 h; -
dated 11 May 1897, I have the honor to
state that as directed, the grant and -
loan (viz, Rs 10,000 and Rs 13,800) have -
been refunded into the Sub Treasury at
Tirupattur on the 9 June 1897.

2. The amount of loan was not utilized -
for the purpose for which it was raised,
the estimate framed by the Public Works
department for the construction of a
suspension bridge having subsequently
been condemned; the Government first
approved of the plan and estimate for

for a Suspension bridge and directed the Council to draw the amount of loan from the treasury. The transaction was in fact only a paper transaction and the Council did not in the least profit thereby. The whole amount all along remained in the treasury itself and no portion of either the grant or loan was drawn therefrom for any purpose.

3. In these circumstances the Council respectfully requests that Government may be pleased to order the Refund of the interest already paid to the Accountant-General (viz Rs 445. 14. 7) and to remit the sum of Rs 263. 8. 4 (now claimed) being the interest up to date of refund of the loan.

4. The Council desires to submit that in the current year, there will be a heavy fall under the income from tax on arts on account of the revision to be carried out according to the Madras District

District Municipalities Act Amendment Act III of 1897. It need not be pointed out that the receipts of the Municipality are already insufficient and the Council very much regrets to forego from its limited funds Rs 709. 6. 11 as interest for no fault of its own and while the amount remained in the treasury itself, not having been utilized either for the purpose for which it was paid by Government or for any other purpose.

5. A Copy of the Council's resolution on the Subject accompanies.

Hon. Sir Henry Bliss, K.C.I.E.

FOR ORDERS.

Submitted that the request is only reasonable and that the following order may issue:-

ORDER:-No. 584, d/ 29 July '97.
