The Collector of Ganjam wants
another lakh of rupees for
gratuitous relief. Please see the
notes below this which are connected
with a recent application from the
Collector, the order on which is issuing
In this the Colr. has been granted
50 lakh against 2'15 applied for
by him and has been told that
until he accounts for what
he has had up to the end of
June no further grants will
be made. The Per. Dept. notes
that a telegram has gone to
the Collector directing him to
strive to cut down village
gratuitous relief. The recent
additional allotment of 14'96
which has been sanctioned by
Supd. leaves no present difficulty

as to finding funds for allotment

Orders are solicited

It is submitted that unless the
revenue put on Citi in the
financial Dept they will never
cut down their / annual expenditure.

NOTE for the Hon'ble Sir H.W. Pliss.

K.O.I.E.

With reference to the Hon'ble
Member's note of the 2nd August in ^{the original of} G.O.No.
501 Finl., d/ 2nd August 1897, in which he
pointed out that the papers regarding the
additional half lakh for Ganjam passed
both the Hon'ble Mr. Grose and himself on
the 22nd July, attention is respectfully
solicited to the revised draft of G.O.No.
594 Finl., d/ 30th July 1897, which cir-
culated to the Hon'ble Member with two
linked files and was passed by him on the
29th July. The notes of the Hon'ble Member
of the 22nd July were acted on immediately
and draft was passed by the Chief Secy. on
the 23rd. This draft went for counter-
initials, was passed by the Revenue Secy.
on the 26th (the 25th was a Sunday), by
the P.W. Secy. on the 28th, was passed by
the Hon'ble Member on the 29th and sent
down for issue on the 30th.

CMS

But I can't see any reason R
why the revised draft should
have been sent to the Hon'ble Member.
The matter was quite clear
the order, being "from orders",
should have been passed by
the C.S. - This is a great blunder
because small matters are
sent to me (in all drafts)
without necessity that I have
constantly to work until
11 P.M. & rarely can
find time to go into subjects
of importance in the way I
should do.

Note for the C.S.

With reference to the Hon'ble Member's remark above it is submitted
that the draft order was marked "C.S. From orders". It
went linked with other files to Mr. & Mr. W.D. for
counter-initials but both depts. made remarks on

para 3. vide note at back of draft. As the other files with which this was linked were for circ, this paper was kept with the others so that I might see the remarks. Every endeavour is made in financial not to trouble them with unnecessary papers. ~~but in the case of the financial dept. the papers are not sent to them. I have suggested that the papers should be sent to them. But the papers are not sent to them. I have suggested that the papers should be sent to them.~~ But when the two depts most concerned hold diametrically opposite views financial cannot work without its approval over rule one or the other - I respectfully submit that a great deal of extra work is being caused by the ruling of Feb'y last that financial is to finance families matters. ~~As now interpreted~~ It is right that financial should finance the families generally in the sense that it would see to the allotment of the grants to Civil P.W.D. & questions of debt but once these grants have been fixed it is thought that each dept should arrange its own distribn. The order of Feb'y has been interpreted

to mean that Finl. is to be appealed to if a Govt. wants Rs 20. for famine purposes. This is not done in the case of the general finances of the Province. Finl. passes budgets & gets the grants from India but the spending of those grants is controlled in the first instance to the depts concerned, by heads of depts very often. The result of the present arrangement is that Rev. & P.W.D. practically disown all responsibility in the matter. merely transfer demands which may be all we can tell even with the closest scrutiny be altogether extraneous. Send us on return without remark estimates like that of the En. P.W.D. out of all proportion to requirements as can be seen by the very recent layman. Just understand friction too must arise sooner or later. ~~There is~~ Then what is the way it is thought be filed with the S.O. as it is proposed to trouble them again. ~~See the papers. They are not to be sent to the financial dept. as they are not concerned.~~ ~~See the papers. They are not to be sent to the financial dept. as they are not concerned.~~
