GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—again the following papers:—

G.O., No. 890, Financial, dated 12th November 1895, paragraph 2.
" " 516 " " 26th August 1896.

READ—also the following paper:—

From J. N. ATKINSON, Esq., I.C.S., Acting Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 12th July 1897, No. 1197.

With reference to paragraph 11 of G.O., No. 516, Financial, dated 26th August 1896, I have the honour to forward herewith two statements, marked A, and B, showing the details of warm clothing and white liveries supplied to the menial establishments of the several offices in the Presidency during the years 1895-96 and 1896-97. The total value of clothing supplied amounted to Rs. 310-4-0 and Rupees 2,303-5-1 respectively. The suits were made up and supplied by the Women's Workshop, Friend-in-Need Society, at Egmore. The work was entrusted to this institution as it had been carrying on the same business for several offices in previous years. The cloth required for great coats was obtained from the Madras Army Clothing department at about Rs. 3-6-7 per yard, blankets from the Central Jail, Trichinopoly, at Rs. 2-7-3 each inclusive of transit charges, and sundry articles, such as turbans, umbrellas, socks, &c., were purchased locally.

2. The marginally-noted articles have been provided for in my last indent on the Home Government for issue in 1897-98 and arrangements are also being made to maintain a stock of woollen cloths, such as red, black and blue serges for suits. Samples of the above cloths issued by the Superintendent of Stationery, Bombay, and of those manufactured by the Egerton Woollen Mills have been obtained for this purpose.

3. As the necessary materials for suits have hitherto been supplied by the Women's Workshop, which made them up, and as some articles, such as flannel, mull, &c., have been purchased locally, there was little saving effected by the transaction; but there is every reason to expect a fair saving when this office keeps a stock of the materials.

4. Although the supply of clothing was transferred to this office in November 1895, indents were not received till January 1896. They were, therefore, complied with to a very small extent within the official year 1895-96 as arrangements could not be made until after the receipt of the indents. Hence the subject was not dealt with at length in my last administration report.

C.No.2124

FOR ORDERS

In para 2 of G.O.No.800 Finl.,
d/ 12th Novr. 1895, the Supt. of Stationery
was ~~ent~~^{was}ted with the arrangements for
procuring the clothing of peons attached to
the Secretariats, the High Court and the
Board of Revenue. In para 11 of the last
review on the stationery report (G.O.No.516.
Finl., d/ 26th August 1896) the Supt.
~~communication~~ was requested to address a separate
communication to Govt. on this subject
which received only a passing notice in his
report.

2. C.No.2124 is the Supt's reply.
~~communication~~. He reports that during
1895-96 and 1896-97 the total value of
clothing supplied amounted to Rs.2,614;
that as the necessary ~~fee~~ materials for
suits have hitherto been supplied by the
Women's Workshop at Egmore which made them
up, and as ~~the~~ articles such as flannel,
mulls etc. have been purchased locally,
little saving has been effected by the
transaction; but that he has provided in
his last indent on the Home Govt. for
various articles such as long cloth,
flannels, etc. and has arranged to maintain

a stock of woollen cloths - red, black and blue serges for suits - having obtained samples of the materials issued by the Supt. of Stationery ^{Bombay} and of those manufactured by the Egerton Woollen Mills.

3. The appendix to G.O.No.1095 Pub., d/ 3rd Octr. 1896, contains a list of establishments to which peons clothing is issued at the cost of Govt. This list is, it is understood, ^{under} revision in the Public Dept: but it is thought that arrangements for procuring ~~the~~ the clothing of peons in all offices, for which supplies are sanctioned by Govt, should be transferred to the Supt. of Stationery. By this means the Supt. will be able to buy and stock large quantities of cloth and ^{will} be able not only to get the material at cheaper rates but also to have it made up less expensively than at present. If this suggestion is approved, orders will issue accordingly, the Heads of Depts mentioned in the Public G.O. being directed in future to obtain their supplies of clothing from the Supt. of Stationery by annual indents and the Supt. being asked to draw up a list of dates on which indents should be submitted to him. The Supt. might also be told to extend his enquiries as regards the local purchase of flannel and serge. ~~Good~~ Good material is now procurable locally from the Cawnpore and other mills.
