June 21st, 1897

Sir,

1. I am directed by the Association to address you on the granting of Draft on Government Treasuries in planting districts where, as in Wynaad, there are no local merchants or bankers who can arrange for the transport of money.

2. We observed in the Proceedings of the Coorg Planters Association the following paragraph dated 19th December 1896.

"Read letter from the Accountant General saying he would grant Drafts on Mercara Treasury for Rs. 4000 each and more at 3 annas percent."

3. I was accordingly directed to address the Accountant General, Madras, requesting

the

the same arrangement might be made for Wynaad and
received the following reply No. ¹⁰₁₉₇ dated ~~29th~~ ~~May~~
1897.

"With reference to your letter dated 29th May 1897,
I have the honour to state that Government is opposed
to moving funds to Vajiti in order to dispose of them
at a premium there."

4. Coorg plantations are financed entirely from outside
that province. chiefly from Madras and Malabar, and
the granting of drafts on the Madras Treasury must
apparently have been arranged through the Government of
Madras. We believe a similar concession is granted by that
Government to planting districts on the borders of Travancore
and by the Mysor Government to Mysor planting districts.
I am instructed to request we may be informed by the
Government of Madras is opposed to making such an
arrangement for Wynaad as has recently been made for
the adjoining and similar district of Coorg.

5. The requirements of South Wynaad planters are about
five lakhs yearly and are likely to increase as new
plantations are being opened. We should be willing
to pay $\frac{1}{4}$ % for the encashment of drafts on the
Wynaad Sub-treasury. I may venture that as a
matter of fact in one way or another, though often
by most inconvenient ways, the whole of the above
sum practically comes through the Vajiti Sub-
Treasury now.

GOVERNMENT OF INDIA.

FINANCE AND COMMERCE DEPARTMENT.

Simla, the 23rd July 1897.

To.

The SECRETARY to the GOVERNMENT of MADRAS,

Financial Department.

Sir,

I am directed to forward a copy of a letter dated the 21st June 1897, from Mr. J. Williams Hockin, Honorary Secretary, Wynaad Planters' Association, to the address of the Honourable Sir James Westland, regarding the question of granting drafts on Government Treasuries in planting districts, where, as in Wynaad, there are no local merchants or bankers who can arrange for the transport of money.

2. Under the rules a communication of this kind should have been addressed to the Government of India, and sent through the Government of Madras. Although this course has not been followed the Government of India think it desirable to send a copy of the letter to the Government of Madras. I am directed to request that it may be explained to the gentlemen constituting the Wynaad Planters' Association, that the making of remittances on private account cannot ordinarily be undertaken by Government Treasuries, and that the proposal of the Association can, therefore, be complied with only so far as the treasury on which they desire to draw has funds to spare, which the Accountant General desires to draw away, from that or some adjacent treasury. Thus, it may very easily happen that facilities of the kind which are available at one treasury, cannot be made available at another.

I have the honour to be,

Sir,

Your most obedient servant,

R. S. S. S.

Under-Secy. to the Govt. of India.
