SUBJECT.

Requesting that Mr. Wynne be directed by wire to carry out the Asst. Genl. orders to transfer to temporary Currency Chests as much of the treasury balance as is not required in the immediate future for disbursement.

Here's nothing to take exception to in the language of the letter. Mr. Wynne however has been distinctive in a manner. He'd be sure to take a delight in being in the immediate future for disbursement. W. has been warned over & over again (unless I am mistaken) to keep a civil tongue in his head and if he has offended again, I really think serious action should be taken

of his conduct -
 that the A.G. means by transferring
 part of the treasury balances to temporary
 currency chest, how this can help his
 Resource operations, I do not know. I am
 glad of it for - In the meantime, however,
 the A.G. is responsible in these matters &
 the Govt. should be advised to give & carry
 out his orders. What the bearing on
 the question of Art. 305(1) of the C.A.C. is, I
 doubt at all understand.

From.

S. H. Wynne Esquire I.C.S.

Collector of North Arcot.

To
 The Accountant General
 Fort St. George.

Sir,

With reference to your letter No ^{9D}₃₇₂ dated
 28th July '97, I have the honour to state
 that I regret I must decline to violate
 the orders of the Government of India
 contained in Article 305(1) of the
 Account Code except under the express
 orders of the Government of Madras to
 which I am subordinate. The rule in
 the Code is imperative, whereas the
 opening of a currency chest is not and
 can be avoided.

2. I may add that the largest available surplus is Rs 63000. In case you should deem it necessary to seek the sanction of Government, I request that this amount be named, as it will doubtless be an element for consideration whether for the sake of this sum, it is worth while permitting a disregard of the rules in the Code.

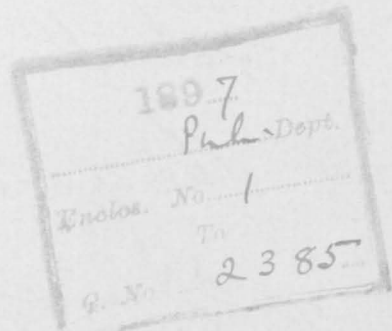

I have &c

FORT ST. GEORGE,

Accountant-General's Office,

No. 22

From

F. C. Harrison Esq.,

Off. ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government

SIR,

I have the honour to lay the following facts before Government. At the present time the Government of India requires that the available resources of every treasury should be placed at its disposal at the earliest opportunity. This is usually effected by directing Collectors to transfer to temporary currency chests as much of their treasury balances as are not required in the immediate future for disbursement.

2. The Treasury of North Arcot is very small and proposals have been (at my instance) made for its enlargement. Collectors therefore find a difficulty in separating currency and Treasury coin in exact accordance with the orders contained in the Account Code. I have however carefully explained to the present Collector Mr. Wynne what my views are in this respect and requested him to transfer his available surplus (which he states is Rs 63000) to a temporary currency chest.

3. I am responsible for the manipulation of the balances to the Government of India and for any instructions I may issue which may run counter to the Code with regard to the storage of coin. Fully recognizing this position, I request that Mr Wynne be directed by wire to carry out my orders. A copy of his last letter is enclosed. His earlier letters on the

the same subject are not written in a suave or courteous manner.

4. It is requested that this communication be treated as urgent.

I have the honour to be,
Sir,
Your most obed^t & servant,
S. Hanuman
Offy. Accountant General.
