PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of
the Board of Revenue, Rev. Sett. Misc. No. 5894 dated 28th
July 1897:-

Resolution.

Telegraphic applications for funds are continually being received from Collectors of affected districts. The messages are usually brief, and afford no information as to the way in which previous allotments have been expended, or as to the date upon which the requirements of the moment are calculated. The applications have consequently to be submitted to Govt. without comment and the Famine Commissioner is unable to check expenditure. Collectors should not only keep a strict control over expenditure, but have a clear idea of their liabilities, and how they are able to meet them. Future requirements should be foreseen, and timely applications for funds formally submitted with full explanation of the necessity for the allotments applied for. Telegraphic applications will not, in future, be acted upon.
