PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of

the Board of Revenue, Settlement, etc., No:5625 Mis,d/22nd July 1897 on the following letter from the Collector of Bellary,d/13th July 1897,Ref: on G.and B.No:1531.:-

I have the honour to state that in my Dis:No:3059,d/24th May 1897,I applied for an allotment of 3½ lakhs of rupees under the Loans' Acts on the supposition that the S.W.Monsoon would be favourable and in my letters Ref: on G and B No:1179 d/5th June 1897,and Ref: on C.No:2630,d/8th June 1897,I pointed out the desirability of sanctioning the whole allotment asked for. No formal sanction has yet been accorded,but in B.P.No. 421,d/8th June 1897,the Board communicated the instructions of the Govt.,which are to the effect that there is no necessity to stop the grant of loans in the affected districts. I thereupon issued instructions to the Tahsildars to resume disbursement of loans without restriction,and reported the fact to the Board in my letter Dis:No:3641,d/13th June 1897. I have since slightly modified my instructions by directing that the further grant of loans for the removal of nuth grass should be suspended in villages in which its eradication is now improbable owing to the fall of rain,but in consequence of the unfortunate break in the monsoon,this restriction will have a very limited application.

2. The loans-transactions from the beginning of the official year up to 10th July 1897 stand as follows:-

Loans accepted - - - Rs.3,55,166.

Loans disbursed - - - Rs.3,26,395.

Applications pending - Rs.4,76,938.

The loans sanctioned exceeded the allotment,asked for,by Rs.5 5166,and the amount involved in the applications pending exceeds 4½ lakhs. As the rains are still holding off,there is every prospect of applications pouring in. I beg therefore to
