Revenue Board Office-Madras.

Proceedings of the Board of Revenue:

(Revenue Settlement, Land Records, and Agriculture),

Dated the 26th July 1897.

No: 5779 Mis:

Resolution:-

The Board observes that, owing to constant touring of the Famine Commissioner and the heavy postal & telegraph charges consequent on the prevalence of famine, the charges under the head of contingencies in its office have increased considerably. At the time of the submission of the budget estimates for the current year, the position was not clear and no increased provision was made under this head.

2. The annexed statement shows (1) the allotment for the current year for "supplies and services and contingencies" under the control of this office, (2) the expenditure for the last three months (April to June 1897) and (3) the average expenditure for the corresponding period, during the previous three years (1894 to 1896).:-
