Forwarded.

In the absence of all the details required by the Form prescribed for the purpose it is not clear whether the conditions laid down in the first para of the Government of India Resolution No. 1603 Financial dated 10 April '96 have been fulfilled i.e., whether Surgeon Major Thompson required, for the discharge of his official duties, to use his horse immediately or very shortly after his arrival at Ootacamund, and whether the public interests would have suffered if he sold his horse at Madras and replaced it at Ootacamund.

The charge can be sanctioned if the above conditions are fulfilled in the present case.

Issue

For Orders.

under 8 1093 of the C.S.R. This is a claim by Surgeon-Major Thompson for the carriage of his horse by rail from Madras to Cotacamund on the occasion of his ^{recent} transfer. Please see the G.O. resolutions flagged ^D + H in G.O. 320 ^{20.1.97} + 51 ^{20.1.97} and the A.G. endorsement on the former papers flagged Q. Surgeon-Major Thompson has no touring work - at all events he did not require his horse at Cotacamund immediately on arrival for touring purposes. He would as Civil Surgeon of Cotacamund do more work with a horse than without one in a given time but this consideration, which is alluded to in para 3 of India's letter in G.O. 51 ^{20.1.97}, should be applied to touring officers alone & in their cases only when a tour shortly after arrival at a new station is proved to have been necessary. The claim does not appear to be admissible.
