Read—the following telegram from the Collector of Ganjám, Palasa, E.C., to the Secretary to Government, Revenue Department, dated 12th August 1897:—

Sanction not received on my applications for funds June and July famine expenditure. Details sanctioned or recommended by Board up to date—establishment, twenty-five thousand; weavers, one lakh fifty thousand; gratuitous, one lakh twenty-five thousand; test works, ten thousand. Actual expenditure to end of July—establishment, fifteen thousand; weavers, one lakh thirty thousand; gratuitous, two lakhs fifty-five thousand; test works, sixteen thousand. Sanction requested. . . . Required additional this month weavers fifty thousand, gratuitous one lakh.

Endorsement—R. No. 1541, dated 14th August 1897.

Transferred to the Financial Department.

(Signed) G. STOKES,
Ag. Secretary to Government.

Endorsement, in the Revenue Department, R. No. 1536, dated 13th August 1897.

Read—the following paper:—

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture,) Mis. No. 6249, dated 9th August 1897.

Read—the following letter from the Collector of Ganjám, No. R.G.B. 26-F., dated 16th July 1897:—

With reference to Board's Proceedings, Mis. No. 4747, dated 30th June 1897, I have the honour to state that the following sums were expended up to the end of June on the relief works shown below and dealt with in G.O., No. 450, Financial, dated 4th June 1897:—

	RS.	A.	P.
(a) Rushikulya canal below Chatragun road	4,644	6	3
(c) Khallikote-Boirani road	7,591	13	7
(d) Breaking ballast, East Coast Railway	6,462	1	8
Total	18,698	5	6

Subsequent expenditure is heavy on all the works named. The Executive Engineer has been asked what additional funds he will probably require to complete (a) as a famine work. I may note that the estimate for the Khallikote-Boirani road is a sanctioned estimate and is shown in the famine programme of the district.

Only Rs. 95-7-9 has been expended on (b) Chilka Lake Canal. The work could not be taken up at first for want of subordinates; and now rain has rendered the work impracticable. Hence the allotment of Rs. 500 under this head will suffice.

2. I may further note that owing to the lack of Public Works subordinates, I found it imperatively necessary to open and continue test-works under the supervision of the Local Fund department, otherwise they would have had to be closed or would never have been started at all. I may note that the Local Fund quarry work at Pothara has only just been taken over by the Public Works department, although it has been going on for nearly two months. Hence the expenditure under Local Fund test-works considerably exceeds the Rs. 10,000 originally sanctioned, and I request that an additional Rs. 10,000 may be sanctioned under this head.

3. In my letter, No. 1593-F., dated 17th June 1897, applying for funds for June and July, I asked for the requisite allotment for works since opened and request favour of an early sanction.

Resolution—Mis. No. 6249, dated 9th August 1897.

Submitted to Government, with reference to G.O., No. 450, Financial, dated 4th June 1897, and in continuation of Board's Proceedings, No. 4856, dated 2nd July 1897.

(True Copy and Extract.)

Endorsement—R. No. 1536, dated 13th August 1897.

(Signed) G. STOKES,
Ag. Secretary to Government.

Endorsement, in the Revenue Department, Mis. No. 4293, dated 17th August 1897.

Read—telegram from the Board of Revenue, dated 16th August 1897.

ABSTRACT.—Communicating telegram from the Collector of Ganjam applying for further funds for relief purposes.

Note in the Rev Dept.

The subjoined statement gives
the number of men and women relieved
and the number of persons in
receipt of gratuitous relief on the
last day of each of the last

five weeks:

	Men	Women	Gratuitous relief
W. & 17 th July	6218		81,163
W. & 24 th July	7625		87,103
W. & 31 st July	6662		90,095
W. & 7 th August	9073		83,776
W. & 14 th August	9500		69,054

* ~~expenditure~~ * vide C. No. 2517

18

(*) This is the ratio in
the last weekly

2. The number of men and women relieved
appears to be steadily increasing
and the average for the month
may perhaps be safely taken
at 10,000. The numbers on
gratuitous relief which were
increasing till the end of July
are now rapidly decreasing
in consequence of recent orders
and will fall further in the
next two weeks. It is difficult
to say what the average for
the month will be; it may
be taken at slightly over
6000 ^{on the assumption that} ~~if~~ the present rate
of decrease will be maintained

3. Rs 50000 is not an excessive
estimate for relieving 10000 men
for one month. As for the
numbers on gratuitous relief,
supposing that these consist
of men, women, and children
in the ratio of 1, 2 $\frac{1}{4}$ + 3 the
Cost of grain does for a
month will be ~~about~~
1 $\frac{1}{2}$ lakhs with grain at 10
seers per rupee. Rice and
ragi are now selling at 17 $\frac{3}{4}$
and 10 $\frac{1}{4}$ seers per rupee, and
as the collector has

authorized to give rice wherever
 ragi is not available, the
 cost of gratuitous relief in
 August will be higher than
 1.2 lakhs. The Collector
 also applies for a grant
 of Rs 10000 for best works
 not carried out by the P.W.D.
 in the R.D.
 There are no data for checking
 this.

4. The above estimates of
 course exclude expenditure
 on works in charge of M.P.W.D.

RS
 18-8-97

Note in the P.W. Department.

Of the works mentioned by the
 Collector, the following are in
 charge of the P.W.D.

Name of work.	Allotment.
(1) Rushikulya Canal below Chatrapur road -	Rs 5,000
(2) Kallikota-Boirani road. -	31,034 5,804
(3) Breaking ballast, East Coast Railway -	10,000

2. It is not understood why, con-
 trary to para 3 of G.O. 594 Financial,
 dated 30th July 1897, the Collector
 has intervened in regard to ap-
 propriation of funds for these
 works.

The Suptg. Engineer has made
 no

I'm sure I don't know. He
 must have enough work of his
 own to do. I had have thought

no application for funds. He has now
 been asked by wire to report what
 additional funds, if any, are needed.
 4. Para 2 of the Collector's let-
 ter is also not understood as no ap-
 plication for P.W. Establishment in
 Ganjam has ever been refused by this
 office. Of course subordinates cannot
 be sent unless asked for.
