From the President, District Board, South Arcot

Ref. on N^o. 423
S.B., dated 8th July 1897.

With reference to Govt. Order of 13th May 1896,
N^o. 331 communicated with G.O. of 29th Idem no.
992 Lms, I have the honour to request the
favour of information as to whether it is the
desire of Govt. that an office building
for the District Medical and Sanitary Officer
should not be constructed elsewhere than
at the hospital. It is under contemplation
to sell the Local Fund Engineer's office build-
ing at Cuddalore to the Cuddalore Muni-
cipality and to construct with the sale
proceeds together with an allotment from
the District Funds a consolidated building
for the several branches of the Local
Fund Dep^t. close to and in keeping with
the new collector's office building and
to provide in it an office for the District
Medical

Medical and Sanitary Officer also. I request the favour of early orders as to whether there is any objection to the adoption of this course.

Order No. 1528 L.M.S. of 9th August 1897.

The Government considers that the Office of the District Medical and Sanitary Officer should be at the hospital or in its immediate vicinity.
