Read—the following letter from the Collector of Vizagapatam, dated 23rd August 1897, R.C. No. 3412:—

Referring to Board's telegram, dated 21st instant, I have the honour to state that I have, in anticipation of Government sanction, placed at the disposal of the Principal Assistant Collector the amount of Rs. 15,000 asked for in my letter, R.C. No. 566, dated 6th idem, for weavers' relief, but the amount will not last long. The Principal Assistant Collector has applied for more funds. I therefore request sanction by wire for a further grant of Rs. 25,000. It is impossible to forecast with any accuracy the sums required for weavers' relief or the time for which this relief will need to be continued. It all depends on the course of prices. Should prices of staple grains fall materially, the weavers' cooly will become so small that they will cease to work, while at the same time it will be easier for them to live without relief. Should prices continue high, the demand for employment must continue.

Resolution—Mis. No. 7072, dated 31st August 1897.

The following telegram will be despatched to the Collector of Vizagapatam:—

“ Please wire expenditure on weavers' relief latest available actuals.”

It is difficult to understand why all this money is wanted. The Finance Comm. however says that it is.

per curd 17/9/97

The expenditure up to 2nd sept was nearly Rs 63000 against an allotment of Rs 65000. There are about 4300 weaver families on relief now and Rs 25000 is not excessive

The money must be given - as the high rate of expenditure, orders have issued, I understand, that no further advances are to be given
