CAMP EQUIPAGE

FOR ORDERS.

Under art: 1160 of the C.S.R. read with clause (e) of appendix 26 A, officers of the P.W.D. employed on Surveys are exempted from the operation of art: 1159 on the understanding that they maintain camp equipage. Camp equipage is defined in art:21 as the apparatus for moving a camp.

2. The above current deals with an application from an apprentice Engineer in Coibatore for exemption under art:1160 in connection with a halt at Gobichettipolliem from the 24th Novr. to the 17th Decr. 1896 (24 days) when he was taking levels for preparing estimates for resluicing the Thadapally channel. It would appear that the apprentice Engineer maintained a bullock cart which would come under the definition of Camp Equipage and on the analogy of the case disposed of in G.O.No.364 Finl., d/ 22nd July 1897, the present claim seems to be admissible. It is therefore proposed to say
