## GOVERNMENT OF MADRAS.

## FINANCIAL DEPARTMENT.

Read—the following paper :—

G.O., Mis. No. 4857, Revenue, dated 15th September 1897.

Read—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), No. 289, dated 24th August 1897.

Read—the following letter from F. C. HARRISON, Esq., Officiating Accountant-General, to the Secretary to the Commissioners of Land Revenue, dated Fort St. George, 22nd July 1897, No. 2244 :—

With reference to paragraph 5 of Board's Proceedings, No. 198, dated the 12th June 1897, I have the honour to state that stamps similar to Nos. 1, 2, 5, 17, 18, 27, 40 and 57 shown in the list forwarded are, I think, required in every district treasury. Nos. 1 and 2 may be combined in one stamp.

Rubber stamps of the following description found in the Collectors' reports are necessary, but they have not been included in the list :—

|                                   |       |                                                                                 |
|-----------------------------------|-------|---------------------------------------------------------------------------------|
| 1. Treasury Date .. ..            | .. .. | Anantapur, North Arcot, Bellary, Chingleput, Cuddapah and Coimbatore districts. |
| 2. Current Number .. ..           | .. .. | } All districts.                                                                |
| 3. Disposal Number .. ..          | .. .. |                                                                                 |
| 4. Despatching Clerk .. ..        | .. .. |                                                                                 |
| 5. On Her Majesty's Service .. .. | .. .. |                                                                                 |

The treasury stamp, however, is identical with No. 57 above approved of. The other four stamps, I find, have already been included in list A—stamps which it is proposed to retain—appended to the Proceedings under reply.

The Collectors' reports received with the Proceedings are returned.

Resolution—No. 289, dated 24th August 1897.

A supplemental list prepared with reference to the Accountant-General's letter read above, showing the rubber stamps required for general use in district treasuries, is appended to these Proceedings. The Superintendent of Stationery is requested to supply Collectors with these stamps, on indent.

2. Other stamps now in use in treasuries, but not included in the list appended to these Proceedings, need not, as observed in paragraph 2 of Board's Proceedings, No. 198, dated 12th June 1897, be withdrawn at present from use, but they should not be renewed when worn out.
